#### HENS TO DIE EARLIER; DUE TO MILD WEATHER

Washington Lifts Ban on Killing April 20-Order Affects 1,700,000 Birds

The weather man is "in dutch" again, this time with Mrs. Hen and her favorite husband. Mr. Rooster.

His manipulation of weather conditions is officially blamed by the Federal food administration for the earlier hatching and laying period this year, which will result in Mrs. Hen's being prought to the chopping block ten days earlier than was at first thought.

Restrictions against their sale will be lifted April 29 it is officially announced. It is estimated that three and a quarter million hens capable of producing eggs will be immediately affected on Philadelphia, Chicago, New York and Boston markets.

## ZULOAGA'S STRIKING CANVASES ON VIEW AT ACADEMY TEMPERANCE FORCES

Sepulveda

the group of paintings by Ignacio Zuloaga, the modern Spanish colorist, now on exhibition at the Academy of the Fine Arts, are remarkably atmospheric in quality and breathe the very spirit of the Iberian Peninsula. Their essentially Spanish character is apparent both in the portraits and landscapes, as may be seen from the paintings here reproduced, while the brilliant coloring achieves an effect as original as it is exotic. The artist's self-portrait, "My Portrait," is seen at the left, above, while "Lolita," beside it, is a study in warm color tones. The sun-swept character of the typical Spanish landscape is effectively caught in
