**GERMAN "SYSTEM" ENABLED WAR NURSE TO SAVE LIFE**

British and Belgian soldiers are here seen leaving Antwerp in the London buses which the author mentions in her narrative. From the photograph one can readily see their unfitness as emergency ambulances.

**Don't Feed Your Baby Every Time He Cries**

**MANY a mother feeds her baby to make him stop crying. Poor baby! He stops—for a while—and then it's all the worse. For his tiny stomach has had another load added to its already undigested burden.**

**The baby isn't always hungry. Perhaps he's getting too much of the wrong kind of food. Nurse him as long as you can. It may be the saving of his life when he is sick. You'll probably be able to nurse him nine full months if from the beginning you use one feeding a day of Nestlé's Food.**

**And it's ready. You don't have to worry about sour milk or consumptive cows or germs in the milk. Nestlé's Food is milk, only purer than you get in bottles—with the tough curd made easier to digest, and with just the right amount of sugar and cereal added.**

**Send the coupon or a postcard for a free trial package of 12 feedings, and the 96-page book about babies by specialists.**

**GIVE him that feeding at any hour each day in place of your own milk—and leave yourself free to take a little air or pleasure to build up your own milk.**

**Then when weaning time comes, you'll just give more feedings until the baby is all on Nestlé's without feeling the change.**

**Nestlé's Food comes to you in a safe, air-tight can—you add only water, boil,**

**Mazola—the Wonderful Oil From Corn—is a Cooking Medium Easy to Use—Pure and Economical**

**Food economy after all gets down to a question of food preparation. Cooked one way a food may be costly and scarcely fit to eat. Cooked another way it is delicious and economical.**

**Mazola, the pure oil pressed from the heart of Indian Corn, is showing the way to better cooking at less cost.**

**It makes wonderfully light, crisp, wholesome pastries, fried and sautéed dishes and allows foods to retain their natural flavor.**

**Since Mazola is a vegetable oil it enables you to help save animal fats—butter, lard, suet.**

**Economical because it can be used again and again until every drop is gone—does not transmit the flavor or odor of one food to another.**

**Mazola is the perfect salad oil, too—gives a delicious tang and is much easier to mix than olive oil.**

**For sale in pints, quarts, half gallons and gallons. For greater economy buy the large sizes.**

**There is a valuable Cook Book for Mazola users. It shows you how to fry, sauté, make dressings and sauces more delicious, make light, digestible pastry. Should be in every home. Send for it or ask your grocer. FREE.**

**Fried Chicken**  
1 young chicken  
1 cup Mazola  
2 cups milk  
1 teaspoonful of salt  
1/2 teaspoonful of pepper  
1 tablespoonful of finely chopped parsley  
Wash chicken and joint chicken—cut with salt and pepper and roll in flour. Put half of Mazola into large iron pan which must be very hot; add chicken and sear on both sides very quickly. Add a little more Mazola if needed; cover pan and push on back of stove where it will cook slowly for 30 minutes. Turn once or twice. A little water can be added to keep it from sticking or getting hard. When tender, add milk; remove cover and let it simmer 10 minutes. There will be two cups of good rich gravy.  
Or chicken can be breaded, and fried in deep hot Mazola.
