

What are YOU doing for us?

“LIFE is the sum total of all earthly possessions.

“If you are worth a million or ten millions or a hundred millions—every last cent of it is not worth to you what LIFE is worth to one of us.

“You would *give* all to save your own child. Then, for the sake of everything you hold dear, do more and more and more to help save the lives of the men who are *fighting for you and your children.*

“INVEST in Liberty Bonds—the only security against the loss of everything worth living for.”

There is immediate and urgent need for every dollar you can spare. You are only LENDING, not giving, your money. Your Government guarantees the return of your money with interest. THE TIME TO ACT IS NOW!
