U.S. TROOPS FIGHT IN NEW BATTLES

Americans Engaged on Several Western Lines

WOUNDED IN HOSPITAL

Less Than One Dozen Fell in Battle of Seicheprey

Washington, April 26.

It is balleved American troops are helping oppose the new offensive of the Germans on the western front and evidently have been heavily engaged in the fighting between Hangard and Vil-Jers-Bretonnoux.

The juncture of the French and Beltish lines apparently to assume here here tween Hangard and Villers-Bretonneux, which lie just north of the River Luce and cover two of the great highways, along which the German advance toward Amilens is directed. The number of Americans Billed m

the German attack of April 10 near Seicheprey was fewer than a dosen and the number of injured was about twen-These figures, stude known here, seem to support the flerman claim, that 187 Americans were captured since it perviously had been admitted that the

American casualties were around 200. American army officers here see b the new German drive a surver test of strength than the first suchaught in the

Somine region. The element of surprise having been eliminated, the Allica have thrown great resources into their lines to result the mitnek
