

AMONG OTHER TROUBLES WE HAVE WITH US MR. W. JOHNSON AND HIS TROUPE OF TOSSERS

PHILADELPHIA DISTRICT MAKES FINE SHOWING IN ATLANTIC CITY GOLF PLAY

Nine of the First Sixteen Are From This Vicinity—Fred Knight Wins Medal for Low Qualifying Score

Atlantic City, N. J., May 2. WITH nine golfers from the Philadelphia district in the first sixteen of the spring tournament of the Country Club of Atlantic City, the Quaker City players are willing to give credit that one of them will be in the title match for the big silver cup which will be given to the winner of the first flight.

The tournament opened yesterday when Fred Knight, of Annapolis, Atlantic City, Maryland, and a few other golf clubs in the Philadelphia district, competed for the gold medal for the low qualifying score with a 28. Not only was he the only player to break an eighty, but he was the only golfer to beat a forty on either round.

Knight himself said that he had a slight advantage over the other players in the tournament other than the regular members of the Atlantic City Club in that he has been studying at the club since March golf by that time he had made a specialty in handicapping himself with golfing conditions here.

Another person assigned was that the spring has been so backward that the Philadelphia and immediate southern have not been in condition for play, and it is a fact that nearly every course in Philadelphia has been in such shape that summer rules have not been put into play.

The course at Northfield is at least two weeks late in getting into condition and the result of this is that the ball bogs the ground and there are many empty lies. The shore golfers are used to this, but the Philadelphians and the other visitors find it very hard to play.

The first sixteen is as fixed as the stars that it is a difficult matter to hazard a guess as to the ultimate winner in the final round. It is mostly a Philadelphia proposition, as with exception of Paul H. Brown, of the Marine and Field Club, all the golfers are from clubs affiliated with the Golf Association of Philadelphia.

It is worth noting the fact that Knight was the only player to break an eighty, but one of the curious things about golf is that the record winner rarely ever wins a tournament. Just why it is no one knows, but there are those who believe who claim to follow these golf hunches and these are offering good money to odds that Knight will not come through with the title.

Double centuries were in order last night and the following night, including Fred Knight, who secured 200 in the Philadelphia district, and 200 in the Atlantic City district.

The best three-game record was set last night by Knight, who scored 173, 201 and 127, and 187, 189 and 200.

Frederic Knight and Mark Newton will meet for the fourth time in tournament play. On two occasions Knight was the winner. The match ought to be an interesting affair, and while Knight is a slight favorite, the fact that he has the happy faculty of coming second for instance in their last match Newton shot a 77 and this was too much for the Annapolis crack.

A number of the players after the morning round at Atlantic City went up to the Swallow course in the afternoon. Here Newton had seven guests and two interesting four-ball matches were arranged.

Seaside Course in Fine Shape. The fairways at Seaside are as fine as any stretch of grass to be found on the best of our Philadelphia courses in mid June and the greens are in superb condition.

There is no doubt that the half million-dollar course built through the generosity of Clarence H. Geitz has been greatly improved since the bunkers, traps and pits suggested by Donald Ross have been built. Seaside now has a succession of very fine golf holes, and while there is no trouble for the man who plays straight down the course there is plenty of bother for the man who pulls or slices.

But at Atlantic City the man who breaks eighty is hitting the ball well on every hole. For here, too, the course is well trapped and pitted, and there are enough water hazards on the meadow holes to make the scores mount for those who play carelessly. Atlantic City has been greatly improved in the last four or five years and the pace on most of the holes, particularly the two-putters, is hard to get unless the player

ATHLETICS MEET SENATORS TODAY

Twilight League Reopens With Games at 4 P. M. Phillies in Brooklyn

Charlie Mack and his demonstration athletes returned to this city this morning on a long stay, during which they will meet the various athletic organizations, while Phil Moran and his Phil team will meet the Brooklyn team at 4 P. M. today.

It is not often that the president of one of our clubs plays well enough to make the first sixteen in tournaments. This President the only man that will come into the golfer's mind is Howard W. Smith, president of the Pink Valley, who has a national rating of five strokes.

Yesterday's Results. National League. New York 6, Philadelphia 0. Brooklyn 7, Boston 4. Chicago 7, Cincinnati 8. Pittsburgh 10, St. Louis 9.

American League. Philadelphia 3, New York 0. Boston 1, Washington 1. Detroit 9, Chicago 4. Cleveland 3, St. Louis 2.

Schedule for Today. National League. Philadelphia at Brooklyn. New York at Boston. Cincinnati at Pittsburgh. American League. Washington at Philadelphia. Boston at New York. Chicago at Detroit. Cleveland at St. Louis.

American Association Results. St. Louis 10, Philadelphia 0. Cincinnati 7, New York 0. Chicago 7, Cleveland 3. Detroit 4, St. Louis 2.

New Industrial League. Stafford Main Figure in Organization of Six-Club Circuit. Chester, Pa., May 2.—This city's great industrial belt will be represented this year in the baseball field by a brilliant array of talent, through the efforts of "Horse" Stafford, former utility infielder of the New York Giants and last season manager of the Ephrata, Berks County League team.

Stafford has succeeded in organizing the Delaware County Industrial League. The final plans and schedule were perfected at a meeting held today. The league is composed of six clubs, as follows: Chester, New York, Hertzog Products Company, Scott Paper Company, Aberfoyle Textile Works, General Chemical Company and Federal Steel Corporation. The season will open Saturday, May 11.

William J. Stoenmaker, former pitcher of the Indianapolis team, after being elected president of the new organization, J. H. Richardson, vice president and treasurer, R. E. Wray, of the Aberfoyle Mills, secretary.

Notes of the Bowlers. Arthur V. M. E. A. stepped down from their place on the bowling team after their last bowlering at 10 in the Philadelphia district tournament, when the Marple team outscored them.

Double centuries were in order last night and the following night, including Fred Knight, who secured 200 in the Philadelphia district, and 200 in the Atlantic City district.

The best three-game record was set last night by Knight, who scored 173, 201 and 127, and 187, 189 and 200.

Pitcher Carlson Drafted. Pittsburgh, Pa., May 2.—Harold Carlson, Philadelphia National ball player, has been picked by the local club of the Brooklyn, N. Y. team.

After watching the play of the Philadelphia book ends behind short base, they were puzzled and amazed until they saw the pitcher's arm.

Episcopal Net Stars Clinch Second Place. In an intercollegiate tennis match, played on Episcopal courts at Brynmawr and Walnut streets, Episcopal defeated German tennis Academy by the score of 2 to 0.

International Will Take Majors to Court. If the Big Leagues Insist on Playing Sunday Games at Harbison, N. J. New York, May 2.—Joseph J. Lagan, owner of the Buffalo new International League club and one of the league's board of directors, said yesterday that if the major league clubs insisted on playing Sunday baseball games at Harbison, N. J., the new major league organization would contest such action by every possible court proceeding.

Blue Ridge League Shaky. Harpersville, Md., May 2.—The fate of the Blue Ridge League is hanging in the balance. A call for a meeting of the league's board of directors, which issued to the league to meet in the city of the national agreement, and that document might well be torn up, it was against this same decision of the Blue Ridge League a few years ago.

Don't Try to Break the Record With Your Gillette Blade

THERE are times perhaps when a man might compete with himself on the basis of a mistaken and shortsighted economy. He might try to see how many times he could go without changing his collar. Or how many lights he could get from a match without burning himself.

Isn't it odd how a man will sometimes try to beat the game—even when he has to rob himself of something in order to do it? What is it that makes some men hang on to a Gillette Blade as though they were trying to break a long distance record with it?

It isn't because they care so much about the price of a new blade. They would throw that much away on a tip or a drink. REALLY, the chief reason for the use of the Gillette is the marvelous quality of the blades. With two edges to a blade—each good for at least 2 or 3 shaves—the cost per shave is too small to be considered.

The reason you keep repeating with your old blade is that some time or other you happened to get more shaves out of a blade than you have a right to expect, and you sort of keep trying to break the record.

This isn't fair to you and it isn't fair to your Gillette. The Gillette offers you the greatest shaving service in the world, but it should not be abused.

It takes only a fraction of a minute to slip a new blade out of its envelope and rip off the sterilized wax paper that protects it and keeps it sanitary and safe.

Thousands of Gillette users make a regular habit of changing blades every so often—Sunday mornings perhaps, or maybe twice a week, depending on each man's individual shaving needs and character of beard.

The Meaning of Gillette Service. The Gillette Service Experts and all Gillette dealers want to be of service to every Gillette user in service to the Gillette Blade.
