LETICS STIMULATED Y THE WAR IN BRITAIN

of Depressing Effect of Weekly Casualty Lists cer Games and Other Sports Are Attended by Great Crowds

y the newspapers printed the following item: May 4.—British casualties during the last week lotaled ording to the official lists made public:

> casualties were divided as follows: Officers ' Men Killed..... 522 Wounded...... 1,492 Missing..... 541

ving day this appeared in the papers:

n, May 5.-The final soccer tie of the Glasgow War Cup played at Glasgow between the famous Celtics and Morton be-25,000 persons. The Celtics won the cup by the only goal scored.

ything can prove the necessity of maintaining athletics during of war, these seemingly incompatible news excerpts from Lon-The British authorities as well as the people have realized that ial to the national welfare to have athletic contests not only for of they give to those who participate but to maintain the morale s, over whom the weekly casualty list casts a shadow inin its depressing effect with anything previous in the world's

people of Great Britain can conduct and attend athletic conthe life blood of the nation is being spilled on the fronts in and Picardy, certainly we of America, who have not yet had ocrealize that the war is one for existence, can and should continue hing in our power to bring the young manhood of the land up to adard of physical efficiency by athletics.

latest figures show that the casualty list of America's overseas m all classes is 5366. That is, our total losses in dead and wounded r of war are only about one-seventh the losses sustained by in in ONE WEEK. When our great armies finally begin to ere and more lines on the western front and General Pershing's alty list begins to mount into the thousands instead of tens ople of the United States will begin to feel the absolute necessity version, and this can best be obtained through the medium of for the obvious reason that such activity has the twofold advantage the public mind temporarily from the tragedies abroad and to serve their country at the front.

Toronto Fans Great Baseball Patrons

is true of the people of Great Britain in the matter of attending ts events is equally true of the Canadians. Last season Toronto was ball town in the International League, and de pite the heavy war the same city is likely to be one of the financial mainstays International League, which opened yesterday.

new organization, by the way, is not expecting to do a great deal ay of getting rich this season. In fact, the league leaders are to do any better than break even for the season. They have had ty in getting started and have had to pay, salt ries which are of all proportion, because of the heavy wartime demand for all

City is still without a leader. Johnny Evers has been offered of \$6000 to manage the club, but had previously signed up with Red Sox at that same figure. Thus far, Johnny has not decided ill do, although he would be allowed to abrogate his contract n club if he preferred to enter the International League as

McCarthy has a fairly good bunch of ball talent at Newark to be in the race throughout the year. Jack Dunn is again of the Oriole bunch, and George Wiltse, the ex-New York is managing the Buffalo club. Binghamton is managed by Pat Donovan is at Syracuse, and Arthur Irwin is chief of

Outlook for War Heroes Not So Dark

all, the outlook for the boys who come home from the battleof France maimed is not so thick with gloom as one might It might be supposed, for instance, that a man with one arm be much of an asset to a baseball club.

strange things may happen, and the spirit that is going to make ins victors over the Potsdam person is going to permit the though injured, to take part in athletics. This has been asonly by General Gorgas but by an incident that occurred in West. Several days ago in a college game William Schfranski, len't a Bolshevik, cracked out five neat hits in five times up. That which few major leaguers perform during their careers on the and for it to be done by a one-armed athlete should certainly ration for the boys who must return from Europe with fewer parts than they departed with.

nski is twenty-one years old and was born with only one arm, playing baseball at an early age with the other boys of his neighand was always as good as his playmates. When at hat he chokes ad while in a crouching position takes a healthy swing.

Veteran Brooklyn Pitchers Still "There'

COOMBS, Larry Chency and Dan Griner are not only in harness p are pitching an extremely effective brand of ball, in spite of baseball ages and the annual predictions that they are "through" ague twirlers. Had it not been for the first two Brooklyn probald be trailing yet in the dust of eighth place in the National Coombs has shown great form, not great just for a veteran for any pitcher, and Cheney has done nearly as well as Colby

ly reason that Brooklyn has so far even resembled a ball club the efforts of Coombs, Cheney and Griner. Griner recently pitched two-thirds innings of hitless ball against the Phillies. 'Gavvy ated his having a perfect day by shooting a single over second third of the ninth inning.

ers were in high glee at Griner's performance. Not so much ost pitched a no-hit game, but because they were able to of the hurler's coming back and coming back strong. and Cheney continue to keep their present pace and they relatance from Griner, Grimes and Marquard, the Brooklynites chance to land in the first division

He gular grounds, and when he does make a protest ent spirit from that which he was wont to use in

SOMEBODY IS ALWAYS TAKING THE JOY OUT OF LIFE

PENN CHARTER

Had Large Lead in Annual Color Contest. But Fail to Win

The Blues of the William Penn School have cause to feel blue today.

Vesterday, just when it seemed as though they had the objective of a year's work within their grass, the annual color contest, Captain Tad Brown and his forces, with their backs to the wall, as it were, radied and not only succeeded in holding off the thrusts of the Blues but by a sensational counter-attack were successful in tying up the score of the day's sports.

day's sports.

The final score was 69-69 and it was the first time in the history of the sport or to be more exact the only time in twenty-five years that the annual games have ended in a deadlock.

Colored by had carned a place to the conjugate of the history of the sport of the marine corps in a body Pale did not renig.

Buck was not much on the boxing game, but when it came to fighting spirit be was one of the regular "up-and-at-

MERION EMPLOYS WOMEN WORKERS ON GOLF LINKS

They Are Driving Horse-Drawn Mowers, Cutting Tees, Raking Bunkers and Doing Other Labor-Green Committee Finds Experiment Decided Success

By WILLIAM H. EVANS

WILLIAM H. EVANS

Was a singan as old as the everlasting hills, but not so permanent. The fairsex demonstrated many, many years ago that their place was anywhere they chose to hang their bonnets. We have had we men in the pulpit, practicing law and medicine, teaching school and handling being and small businesses for a long, long time. And since the great war the women have shown that they can take the places of the men in the factory and the triplex process of the men in the factory and the factory and the process of the men in the factory and the process of the men in the factory and the process of the men in the factory and the process of the men in the factory and the process of the men in the factory and the process of the men in the factory and the process of the men in the factory and the process of the men in the factory and the process of the men in the factory and the process of the men in the factory and the process of the men in the factory and the process of the men in the factory and the factor of the mower is not difficult. Of course, the whole thing is something novel for women, but we are rapidly getting familiar with the work. Everything considered, I am quite enthusiastic and the process of the men in the process of the mover is not difficult. Of course, the whole thing is something novel for women, but we are rapidly getting familiar with the work. Everything considered, I am quite enthusiastic and the process of the mover is not difficult. Of course, the whole thing is something novel for women, but we are rapidly down to business. The mechanical operation of the mover is not difficult. Of course, the whole thing is something novel for women, but we are rapidly down to business. The mechanical operation of the mover is not difficult. Of course, the whole the place of the mover is not difficult. Of course, the whole thing is something over the place of the mover is not difficult. Of course, the whole the place of the mover is not difficult. Of the mover is not difficult. Of the mover is not

It was natural that they would take rather hard on ordinary clothing. sp near's work on golf courses, and the Merion Cricket Club is the first to make the experiment, and after a week's practice the green committee, of which Winthrop Sargent is the very efficient head.

Fine, Says Bill Flinn

Bill Flinn says the experiment has passed the point where there is any doubt as to its success. throp Sargent is the very efficient head.

We have been fortunate in getting the club will employ more women on the cast and west courses. There are five of them working on the links and doing tritually everything the male employes are doing, and doing it just as well and just as efficiently.

"We have been fortunate in getting intelligent women," he said. "They have required very little instruction, and it is remarkable how quickly they have virtually everything the male employee are doing, and doing it just as well and just as efficiently.

restors, which cut a swath of grass Photographs illustrating this article with the wide. Three of these will be found on the back page. eighty-six inches wide. Three of these women cut the fairways and the fourth trims the rough grass. The fifth cuts tres and the fairways in front of the greens, rakes the bunkers and pits, fills the water buckets at the tees and does other work that the men do. One of them has driven the walk type of motor cutter, and before the year is out the women will be able to operate the big type of motor cutter, where the operator. Umpire and Phil Player type of motor cutter, where the operator type of motor cutter, where the operator is porched on a seat and drives the powerful machine over the fairways.

Separated Before Any Damage Is Done

GIANTS WIN AGAIN

New York, May 2.

The Gants defeated the Puillies at the Polo Grounds here yesterday by the score of 3 to 2. The game was marked by a brief fistic encounter in the ninth liming. The Puils began this iming with the score 5 to 1 against them, and, with two out, Luderus knocked a single into right field for his third hit, and scored on Meusel's long double ever Burns'shead. Eddle Burns followed with a single to deep short. Fletcher's lurried throw pulled Holke off first base. Meusel never tarried at third, but headed for the plate. He was perty near half was down, when Hello threw to Bariden. The plate was very close—so chose that Charley Moran secund at a loss to decide how to call it. He seemed on the point of calling the runner safe, but reddenly threw up his right band as an indication that Meusel's was out.

Separated Before Any Cutting for the Hard Score of the ANTS WIN AGAIN

Cutting Greens Too Hard

The women thus far have not attempted to do much of the cutting of the Surgers and it is rather ested to the graess and it is rather ested to the graess and it is rather ested to the graess and it is rather and the probable to the sore of 3 to 2. The game was marked by a brief fistic encounter in the ninth liming. The Puils began this imming with the score 5 to 1 against them, and, with two out, Luderus knocked a single into right field for his third hit, and scored on Meusel's long double ever Burns's head. Eddie Burns followed with a single to do everything on a golf course that a man can do.

After the sportsmen had fought his for a hour or more, after-dinner speeches were delivered, interspersed with songs by the entire company. Among the field speech at the speech and the resulting might have said. Last year Merion had other compositions smacking of the millional problems and the course, and with the cubb, like other courses, and while the club, like other courses, and with the couployed. But may be a supplied to the millional problems and the course o

as an indication that Meusel was out.

Soon Charley was surrounded by irate the second the second to be Eddle Burns, planted himself in his praise. The women fortunately are of the intelligent type and it has shown the straight for his opponent's gleaned an of Uncle men. Date of Uncle men. Date asparating the contestants. McGraw and separating the contestants. McGraw rushed between Charley Moran and the enraged Phil, while Pat Moran caught Eddie Burns from behind.

The game was a repetition of that of

The game was a repetition of that of the provious day. The Philis outhit the Glants and got pretty good pitching, which was spolled by errors. Mike Prendergast, whom the Phillies procured in the Alexander deal, permitted only six hits, but the Glants bunched three of them with several Phil misplays in the third inning when they scored enough runs to win.

Notes of the Bowlers

Echman, leader of the Drug League, was awarded three mire to its credit when the National squad forfeited, S., K, & F. Co. over.

Take Pride in Their Work

The first woman who was employed is the high school girl. Miss M-had been doing a lot of Red Cross work, making bandages, knitting sweaters and specks for the soldiers and sailors, when she took up the work. Here is what she has to say about her new employment: "It is fine to be out in the open. The work is not hard. The west course is beautiful and it makes a lovely setting for work. The horse I am driving is not used to work, and he insists on running uphill and then when he gets to the

the places of the men in the factory and on the farm and perform many functions hitherto thought to be strictly massimile.

Three of the women wear khald skirts and middy blouses. The other two, who have just started work will wear the culine.

Earn \$15 a Week on Links

The Evening Puncic Lengum was the first to announce that the women would be employed on the courses, and it is the first to show pictures of the women doing actual golf chores. One of them is a high school graduate, and there was a music teacher, a third a dressmaker and two were sales women in one of our largest department stores. They are employed forty-eight hours a week and have their Saturday after neons and Sundays to themselves. They are now being moved by the committee.

Just at present four of them are driving the familiar triplex horse-drawn mators, which cut a swath of grass protections, which cut a swath of grass protections, which cut a swath of grass protections, which cut a swath of grass protections and substantial triplex horse-drawn mators, which cut a swath of grass protections and substantial this article.
