GOLFERS MAY WIN WAR STAMPS AND LIBERTY BONDS AS AMATEURS

U.S.G.A. Adopts Similar Ruling Made by Western Golf Association-Local Body Approves of Action

Taken by National Organization

By WILLIAM H. EVANS

By WILLIAM H. EVANS Lion ruled that during the period of the war any amateur winning war or thrift stamps of Liberty Bonds as prizes in solf tournaments should not be con-sidered as playing for a money prize and that his amateur standing would not be

that his amateur standing would not be impaired. Last week the United States Golf As-sociation ruled that war savings and thrift stamps and Liberty Bonds can be offered as prizes in tourna-ments without affecting the amateur status of players during the continua-tion of the present war. The Golf Association of Philadelphia. through its executive committee, de-cided last week with reference to this matter that the best way out of the money paid by the clubs for the prizes to buy war savings and thrift stamps and hold them until maturity. TIBERTY owners will tell you that never before in a car of moderate size has their taste for beauty been so completely gratified.

They will say that no car of modest weight has so thoroughly met their ideas of physical comfort.

The superiority of the Liberty is almost instantly noticed by the difference in the way it rides and drives.

It is so pronounced as to be almost unbelievable, until you drive the car -and ride in it.
