# WHO GETS THE MONEY?

*How does a war-relief organization get money from the War Chest?*

It is like a community bank account. When an approved war-relief activity is in need of funds it does not conduct a "drive" or "campaign" as now: it will apply to the War Chest.

*What activities, for example, will be entitled to share in the War Chest?*

Such war activities as are endorsed by the President of the United States, the Secretary of War, the Secretary of the Navy or are approved by the Board of Directors of the Philadelphia and Vicinity War Welfare Council.

*Regardless of race, creed or color?*

Absolutely. The only point recognized will be the worthiness of the object and its application to war relief.

*Those activities will include among others:*

- The American Red Cross.
  - The Y. M. C. A. War Work Council.
  - The Y. W. C. A. War Work Council.
  - The Knights of Columbus.
  - The Young Men's Hebrew Association.
  - The Commission on Training Camp Activities of the War and Navy Departments.
  - The Salvation Army.
  - The National Jewish War Relief.
  - The Boy Scouts of America,
- together with similar national and local authorized war-relief activities.

*Will not this require the most careful decisions as to which to give?*

It certainly will. Each war activity will be carefully investigated before any money is given from the War Chest.
