Begin Demonstrations Today in Proper Baking of Wheat Substitutes

Demonstrating the making of wheat substitute breads to Italians. English women or Swedes, it is all the same to the twenty-four women from State Col-lege who have come to assist Philadelphia housewives in the difficult tack of economically using up the substitutes they are required to buy with their purchases of wheat flour

purchases of wheat flour
"No matter of what race or nation ality they may he," declared Miss Pour! Melbonaid, who is chief of the home economics extension service of State Colelege and director of the demonstration here. They are all Americans now, and broad is just as essential to one as to another. Whether we need an interpreter to explain our work to the housewives or show them in plain English what to de, we strive to teach them in all cases that we strive to teach them in all cases that perfectly delicious breads in by be made from the wheat substitutes."

T. N. T. BLAST LEAVES

In every section of the city, in churches, schools, husiness housen, so-cial-service canters and settlement houses, as well as in some of the most attractive private homes, the college experts will give demonstrations during the next two weeks.

They have established headquarters in the pavilion in the City Hall court-yard, and there the yeast breads are made and the exhibits of vegetables, canned goods, fruit and wheat substitutes are on display.

Three Demonstrations Today

rembe. "We are scheduled to give intless than 350 in Philadelphia before June 1. The first one is set for this afternoon in St. Paul's Church. Efflich street and Raltimore avenue. There will be two this evening—one in the Pratt Street Presidytorian Church at 7:20 o'clock, and the other in the Cockman Methodist Church, at Twelfth street and Lehigh avenue, at 8:20 o'clock.

that the men are the ones who most object to the use of wheat and meat substitutes. In a mining camp at Broad Top mines, Huntington County, a serticus strike was averted by the demonstrations of some of our college women. The camp cook was unable to set any wheat substitute other than corrundal, and the men deciared a strike unless they could get something besides correspond to the control of Until Thursday
