The matter was one on which the department had nothing to make public.

At the Cuban legation it was stated that there had been no official word received there as to the situation between the two countries.

Officials who have been following the situation explained that the Carranga government has complained that as a result of Cuba entering the world war on the side of the United States, Mexican interests have been greatly hampered and interfered with. Commercial relations have been virtually cut off, and recently it is understood that the Mexican Government served notice that the message in gold reserves, reported at \$140,039,865 on May 24. The Mexican Charge d'Affaires at Hayana has been recalled by the Carranza Government, according to information reaching the State Department early today.

For some time there has been tension between the countries over Cuban charges of German plotting, directed from Mexico, aimed at the destruction of the Cuban sugar crop.

At the State Department it was admitted that information reaching there confirmed the report that Mexico had withdrawn her minister from Hayana.

# How the War Chest Fund Is to Be Disbursed

First and above all, every dollar of the War Chest Fund will be devoted to war work alone. The United States Government has

The United States Government has selected certain national agencies as hest fitted to carry on war relief work. Each of these national agencies has created a separate board to direct this war work. The American Red Cross has its National War Council; the Y. M. C. A., its National War Work Council; the K. of C., its Training Camp Commission; the Y. W. C. A., its National War Work Council, and the Y. M. H. A., its War Relief Board. Relief Board.

The national war board—by whatever name it may be known-each organization, then decides what amount is necessary, to do the work assigned to it by the Government, and asks the country as a whole for that sum.

Each State and large city is given its proper quota, based upon its population, banking resources, etc. The only function of the War Chest Board, therefore, is to determine that the quota assigned the five counties is in just proportion to the total amount to be No part of the fund goes to any of the general work of these organizations, but it is applied wholly to war work approved by the

United States Government.

There are, of course, a number of necessary local relief bodies, but they will require much smaller sums. In the case of such of these as desire to participate in the fund, the amount to be given to each will be appropriated by the War Chest Board after full
