

THE ANNUAL INTERCOLLEGIATE TRACK AND FIELD MEET BEGINS ON FRANKLIN FIELD TODAY

PENN STATE WITHDRAWS ITS ENTRIES FROM THE INTERCOLLEGIATE GAMES

Ganzmueller, Way, Jeffries and Krawl Will Not Compete—Pitt, Harvard, Brown and Rutgers Eligible

By PAUL PREP. AFTER an intermission of one year the colleges and universities of the I. C. A. A. A. again will vie for titular honors in track and field athletics.

While no final will be decided this afternoon, the trial heats in the sprints and the half mile, as well as the preliminaries in the field events, are of the utmost importance, each of the institutions, which is given a fighting chance to win first honors, has at least one athlete who is a favorite for first place.

But first place never win an intercollegiate meet. It is the team that lands the most number of points through the ability of its stars that is crowned champion.

Penn State Withdraws. It was learned today at a special meeting of the Intercollegiate Association, held at the Bellevue-Stratford, that Pennsylvania State College had withdrawn its entries from the Intercollegiate Association.

No Reason Given. Just why Penn State withdrew its entries at the last moment is unknown. It is believed that the withdrawal was the result of a misunderstanding between the college and the association.

Elfyn Queen Sets New Mark for Juvenile. Joseph E. Widener's Naturalist Wins Toboggan Handicap in Fast Time.

More than 15,000 persons crowded into Belmont Park yesterday for the first time when H. K. Knapp's Elfyn Queen, defeated a line field of twenty-year-old colts in the historic Juvenile Stakes.

Both victories were achieved over a track covered with water, and both races were run in fast time. The pair in this respect, however, rested with Elfyn Queen, as the daughter of Disguise Stakes skinned lightly over the soft surface and established a new record of 0:58 3/5 for the event.

More interest was given to the Toboggan by the addition of George W. Lott's Fapp to the field, which was brought to eleven speedy sprinters by the further addition of Green Gold to make up for the scratching of Kallitan.

Scraps About Scrappers. Young Joe Belmont, who fought under the name of Johnny Belmont when he stopped Jimmy Mace at the Olympia last Monday, would like to be in action at one of the open-air shows in the near future.

Richie Mitchell, the Milwaukee lightweight, now claims the lightweight championship of the United States, but by reason of him receiving the popular newspaper verdict over Joe Williams, of Chicago, who is also a member of the navy.

Willie Jackson, the New York lightweight, has started for two bouts in which he has been matched. During the latter part of the month he will meet the champion of Buffalo, in a ten-round contest, and Rocky Kansas, the champion of Chicago, in a ten-round contest in the near future.

The boxing fans of Red Bank, N. J., are eagerly awaiting the opening of the show will be held. The men who will appear in the field are those of the season at that town are Frankie Burre, of Jersey City, and Joe Leonard, the fast New York bantam.

Chuck Wiggins, the Indianapolis middleweight, under the management of Billy Kelly, of this city, would like to be matched with some of the leading men of his class. He would like to meet such boys as Harry Job or Jack McCarren.

The Downside term benefited Edmonds by the fact that he was able to win three times over his opponent in the final round.

John Dundee, since recovering from his recent attack of pneumonia, has made good in his two stints. Dundee is now eagerly awaiting a chance to get in the ring with Benny Leonard, lightweight champion.

Paul Kilduff, second sacker of the club, left the Chicago team last night. He is going to enlist in the navy.

Dick Rudolph has at last come to terms with Manager Stallins. He will be with the club from now on, having settled the differences that arose on the question of salary.
