ally holding front trenches, German ally holding front trenches, German consistently affected, and may conceive ably have entertained, profound skept. legislation will be asked of Congress by the Anti-Saloon League of America as the Anti-Saloon League of America as Cantigny and Chateau-Thierry to chang the result of the position taken by Prestigue before such men as held the ident Wilson and Herbert Hoover, United States food administrator, that the question was not one to be disposed

of under the food-control act. The following statement has been au-

thorized by the league: "The attitude of the Administration concerning war prohibition and the methods for securing it have been clearly and positively set forth. It opens the way for immediate, direct action by the Congress.

"We believe Congress, consistent with its strong prohibition enactments during the last year, will respond to the overwhelming sentiment of the nation for complete wartime prohibition." Representative Randall, of California also announced a full war measure will

also announced a full war measure will be urged in Congress.

President Wilson's letter to Senator Sheppard, opposing Representative Randall's amendment adopted by the House to make unavailable a \$6,000,000 agricultural appropriation unless the President exercises powers under the foodeontrol act to prohibit the use of grains in making beer and wines, was read to the Senate.

"Frankly, I was very much distressed by the action of the House," said the letter. "I do not think that it.

the action of the House," said the ter. "I do not think that it is wise letter. or fair to attempt to put such comp crude oil in her compartments.

"I understand the Pratt is to go into Cramp's drydecks for repairs, after which she again will pursue her usual business, hauling oil.

"Efforts today to determine to the contrary, every one should want, and I am sure does want, business and enterprise to be rewarded with reasonable, or even liberal process. all the other drinks, many of them harmless, which are derived from food or feedstuffs, the consumption of whisky would be stimulated and increased to a William of the summer months or longer if desired ways considerable extens. lation between necessary taxation and very considerable extent.

"My own judgment is that it is wise and statesmanlike to let the situation stand as it is for the present, until at stand as it is for the present, until at any rate I shall be apprised by the food administration that it is necessary in the way suggested util further to con-serve the supply of food and feedstuffs. The food administration has not thought it necessary to go any further than we have in that matter already gone."

SENTENCED IN UNIFORM

Former U. S. Sailor Jailed for Two Years for Robbery

Norristown, Pa., June 7.—Charles Kulp, of Norristown, dressed in a United Kulp, of Norristown, dressed in a United States navy uniform, was sentenced to two years in the Montgomery County jail by Judge Swartz after being convicted of breaking open a locker in the Reading Railway station in Norristown and stealing a pocketbook.

He said he had been discharged from the navy in 1919.

"Why do you still wear the navy uniform?" asked the Court.

"I was told that I could wear it twenty-four hours each month." replied Kulp, who, the Court was told, was a parole prisoner from the Eastern Penientians."

MID-EUROPE POLICY FIXED BY ALL

Alignment With Wilson Polish and Jugoslav Freedom Welcomed

FUTURE CURB ON FOR

Special Cable to Evening Public Led Copyright, 1918, by New York Times C

London, June 7.

The announcement regarding the dearations agreed to at Versailles on Mo day last by the British, French Italian Prime Ministers brings the pi licly defined policy of the west European Powers into harmony w that of the United States on two w that of the United States on two verification of a united and independe Poland with free access to the significant which is declared to constitute one the conditions of a solid and just peared of the rule of right in Europe. I second is the indorsement of Lansin expressed sympathy for the nationalist aspirations toward freedom of the Czecho-Slovak and Jugoslav people that is, for the two Slav nations we that is, for the two Slav nations w form the majority in Austria-Hunga and are held down by the Hapebur under the oppression of the German as Magyar minorities. Both declarations, it is pointed out

the Chronicle, are extremely welco Governments have come to recognize, less than President Wilson does, crucial importance of central and es ern Europe among the material for which the war is being fought, now officially recognized that if many ends the war on terms which enable her to enslave the east, no enable her to enslave the east, no feat of her western ambitions can more than temporary. A genuinely dependent Poland and a genuine eman pation of the Austrian Slava are ind pensable if Potsdam is not to be lowed to cream a future empire wh would overpower the world.

The recent meeting of the supre

whose gravity has been unparallel since its foundation. Reflection of the There is no denying that the last

fensive has brought the enemy dange ously nearer to Paris, and the peopliving and working in the French calltal cannot but be sensitive to the attered situation. But they are bearif themselves with admirable patience are stoicism. Clemenceau gives expression to this mood. His speech is a frar recognition of the terrible dangers ar trials ahead, but it is in no sec counsel of despair. Speaking for h Government, he declares it will new surrender, that it has full confident in the generalissimo and in the Allie to await calmly the supreme ordeal, fident in the ultimate triumph of cause for which so many have died.

SPURRING ENEMY OF

London Daily News Says Ger mans Seek Decision Before More Aid Arrives

Special Cable to Evening Public Ledge London, June 7 The Daily News says editorially t

morning:

"The candor of Clemenceau's declaration that America, and America alon
could crown the Allied cause with vitory is at once an impressive evidenof the single-minded confidence of or of the sing symmetric of the Alliance in the loyal of another and a just testimony the power of America to cast into the scale a weight to which the enemy ca find no counterpolae. "At the same time it must be re

ognized that the very magnitude America's contribution enhaumediate peril of the Allies. enhances vene effectively in the European wa issue before such men as held the crossings of the Marne are numbered in France by the millions has become over

"For that reason, if no other was fur nished by the internal state of the Can tral Empires, there can be no hope of a respite from German onslaughts, bu is an offensive with a time limit, and lemenceau's confidence that the Allie can hold on till time is called rests of a sound elm of all the factors."
