Accounting Officers at the Marlborough-Blenheim because war board represen-tatives will explain to the municipal accountants why it is necessary for the Government to decree that pending the close of the war no municipal bond issues shall be floated in excess of \$100,without express permission from

All-Season Rail Service

A large measure of Atlantic City's dee in keeping with every requirement After encouraging as many war workers as possible to seek rational diversion, there is no intention on the part of Director General McAdoo to hamper them in so doing. The Government's good intentions are further shown in the initiate special tourist rates to seashere and mountain places.

Much satisfaction is derived also from the fact that the cottage-renting season of the city's revenue comes from the rentals paid by thousands of families de, the Arlington, the Pennhurst, to Gladstone, the Carlton, the Yarbuth and the Creston, in Chelsea. Chelout of their homes to give possession to The real estate situation has been greatly improved at the shore by the formation of the Atlantic City Real Estate Board and the enactment of a cheerfulness, and it is going to do very best to fill this role adequate to take out a license under stipulations which exclude any except reliable and responsible men.

This board, of which M. A. Devine is president, has made it a point to discount to the patriotic.

president, has made it a point to dis-courage vigorously any attempt to profi-teer in rentals, for the same reason that hotel men have advised a maintenance of before-the-war rates, shaving their turther substantial testimonial to configuration, a completion, a configuration of before-the-war rates, shaving their profits rather than have it said that Atlantic City was attempting to take an unfair advantage of its patrons. The "millionaires" colony" in Chelsea this summer will be the largest that ever has had its abode there, and the cottage contingent also will be more diversified than customary, for Bostonians and Chicago ans, and even indianapolis, folk have chosen shore domiciles in the dishave chosen shore domiciles in the district which formerly was the special habitat of Philadelphia families. Some of the Philadelphians with fine summer homes in Chelsea, not to be outdone by is year because of the war and the thrifty natives, have rented them at thrifty natives, have rented them at rates which will permit them to live in the hotels and escape for the time being big thing for Atlantic City when the
