

DEPARTING DRAFTEES ATTRACT THROG TO B. AND O. STATION

FREIGHT-RATE RISE IN EFFECT

Increases Ordered by McAdoo Became Effective Last Midnight

NO PROTEST IN THIS CITY

Freight-rate increases ordered May 27 by Director General McAdoo for all railroads in the United States under Federal control, became effective at midnight.

Given Fruit and Snacks

Fifteen girls and women from the Mrs. George W. Childs Drexel Red Cross canteen, Locust and Eighteenth streets, were on duty at the station.

Balks at Being Left

How the spirit of patriotism and the desire to do their bit for their country gripped the city is strikingly illustrated by the fact that the Nineteenth District Draft Board, having called one too many times to the station, has found that no man was willing to be left behind.

Mr. Kane gave his views as follows: "I have had a number of requests for a dry zone, but a half-mile zone around the arsenal at Frankford. A dry zone taking in the entire city I do not believe to be a dry zone covering the city I am afraid would merely bring us a raft of speakies."
