THIS afternoon will mark the playing of a number of "crucial" games in little baseball leagues hereabouts, and in many other instances first division teams that are showing improved form can create havoc with the club stand-ing by bowing over the leaders with whom they clash. Lansdowne has not been de-feated since playing the last Dun game. Two other contests are down on the schedule. At Ardmore Warwick A. A. will be the opponents of the Autocar champions. It will be recalled that the visitors were the first to put a crimp in Autocar's perfect record by presenting them with a sound 11-6 trouncing, and a victory for Warwick will eliminate Auto-son at Broad and Bigler streets with car as a contender for first-half honors

Excitement runs high in the Montgomery League because of the fact that the five leading clubs are so closely bunched that the winning or losing of a game can easily change the leadership in the race. The "big" conflict on today's card reads Ambler at Doylestown, and the county seat baseball fans will be out in force to see the pitching duel between "Knotts" Mayer and Pete Liebert. Mayer, on account of his speed, is called the "Walter Johnson" of the Montgom-ery County League, but he is going up against a worthy opponent in Pete Liebert. In the opening game with Sou-derfon he was walloped for fourteen hits and lost, 12-3. The following week he dropped a tough 1-0 decision to South-ampton. Since then he has won four out of five starts by scores of 10-0, 4-2, 5-2 and 12-1. His only reversal was requently been turned in by Liebert. A win from Ambler will give them first win from Ambler will give them first position in the league standing.
