JUST GOSSIP ABOUT PEOPLE

* Nancy Wynne Talks of Show at Huntingdon Valley Country

Club Tonight-Various Other Matters

Discussed

SUSPECT that party out at the Huntingdon Valley Country Club tonight is going to be great, don't you? I love the things the men give themselves. Both the army and navy men have no end of talent, it seems to me, and when they get a chance to put it across the boards I'm very glad to hear it.

Well, anyway, you know they need about \$20,000 to complete the recreation building which is now in progress for the sailors and marines at the Philadelphia Navy Yard. So tonight the affair given out at the Huntingdon Valley will be for that benefit.

It's to be a vaudeville, and it's to start at 7 o'clock, I'm told, and it's under the auspices of the Huntingdon Valley Branch the Women's Navy Auxiliary of the Red Cross. Don't you have to be longbreathed to speak the titles of things these days? They are so long you pretty nearly pass[®]out before you get through saying them all in one breath.

The vaudeville is to be called "An Eve ning with the Navy." and it will be held on the lawn of the country club, and that's one reason why it is to begin at 7, you see, because with the daylight saving the show can be given out of doors without artificial light up to nearly 9 o'clock. After the show there will be dancing in the ballroom.

Every one who lives out on the Reading is interested, it seems to me, for I've heard about it from every one I've met. All the younger girls are working to sell tickets, and the patronesses for the evening are Mrs. John Worrell Pepper, Mrs.' Charles E. Brinley, Mrs. George"H. Frazier, Mrs. John Gribbell, Mrs. J. Howard Gibson, Mrs. George F. Lasher, Mrs. J. Bertram Lippin cott, Mrs. William S. Blight, Jr., and Mrs. John W. Brock.

Mrs. John Nalbro Frazier, too, has a good deal to do with the preparations, I'm told. It's going to be fine, really. And the entire talent will be furnished by the marines and sailors now stationed at League Island.

WHILE speaking of marines, my heart goes out in sympathy to Mr. and Mrs. Theodore Reath over the news of the death of Bob, who was fighting in France with the marines and was killed in action.

Bobbie went into the marine corps early in the war; that is, since our entrance into the war, and has done some splendid work. He joined the marines because they would take him under twenty, the same time Syd Thayer joined. It's hard to remember just when different boys did enlist, but I am very sure that Bob was one of the first. His sister, Elsa Reath, was married late last fall, you remember, to Lieutenant Jack Appleton. She had been engaged to him a little more than a year. In fact was the first girl in her debutante year to become engaged. Ted is a brother and so is Brannan, who married Maisie Morris, and there's a smaller brother who is very much younger. Bob's death came as a great shock, for after all. even though you know you will be apt to get such news from "over there" at any moment about those nearest and dearest to you, you always hope there's a fighting chance. And, as a matter of fact, there is always a fighting chance. Bobbie's name was Thomas Roberts Reath, but because his cousin was called Tom the family
