RAILROAD EXPENSES EAT UP BIG REVENUE

Operating Income Reduced \$108,196,836 in Five Months of Federal Control

By the Associated Press Washington, July 2. Reduction of \$108,196,836 in the operating income of 123 of the largest railroads during the first five months under Government control, compared with the same period a year ago, was announced today by the Interstate Commerce Commission. In May, the last of the five months, the roads were beginning to recover from the paralyzing effects of blizzards and embargoes, and the operating income rose to a point nearer last year's figures. For the five months the total was \$186,987,144, compared with \$295,183,270 during that period last year, and for May it was \$64,276,805, against \$76,296,840 last year.

TO DROP CAPTAIN JACOBS

Superintendent Declares State Policeman Was Merely Indirect

Following persistent rumors that Captain George P. Lumb, superintendent of the State Police, had dismissed Captain Charles W. Jacobs, of Troop B, Greencastle, from the force for pro-German sentiments, the authorities today, upon request, gave a statement, declaring that Captain Jacobs, who was tried by court-martial on charges of conduct to the prejudice of good order and police discipline, was given a leave of absence for fifteen days at the end of which period he will be dropped from the service. Captain Jacobs established to the satisfaction of his superiors that he is a citizen of the United States, that he has the honor of 1000 worth of Liberty Bonds, and displayed receipts for large sums from the Red Cross and Boy Scout campaigns, the statement adds.
