

The Power Behind The Boys "Over-there"

Buckle down to your WORK, boys—the shadow of the HUN looms LARGE!

All that stands between America, now, and HELL is the FLEET and that LIVING WALL of HUMAN FLESH over there—and YOU! And the WALL cannot STAND without YOU!

God help the world—if it GIVES WAY! What if it should CRUMBLE, and the HUN SWEEP THRU — and FASTEN himself upon THIS country—as he has upon Belgium, France, Rumania, Italy, Serbia, Russia?

How would YOU like to be stripped and robbed of clothes, shoes, money, property, citizenship—all that you now possess of value or cherish on earth—and then, under the lash, be driven like a BEAST into the WILDERNESS to PERISH from despair and starvation—so that "SUPER-MEN" and their broods might POSSESS what was YOURS?

You've been reading about the forcible DEPORTATIONS of Belgians, French, Italians and Serbs, haven't you? How they've been driving them away—outraging and polluting their WOMEN—murdering the HELPLESS, USELESS and the UNDESIRABLES—and CONFISCATING all?

You've been saying to yourself "It's too horrible—I don't believe it!"

Wake up, man—you'd BETTER believe it!

They pretend to be doing these things from "Military Necessity."

They LIE! Their hellish atrocities are DELIBERATE! They were thoroughly understood and provided for in advance.

And the same treatment has been prepared for the United States! Make no MISTAKE! It is waiting for YOU and YOURS!

The German Imperial Staff have PROVIDED FOR EVERYTHING!

If you don't THINK so, read this "ADVANCE DOPE"—prepared back in 1912!

"Let us * * organize GREAT FORCED MIGRATIONS of inferior peoples. We must COERCE them! The efficient people must secure for themselves ELBOW ROOM, by means of WAR, and the inefficient must be HEMMED IN—and at last, DRIVEN INTO 'RESERVES' WHERE they have NO ROOM to GROW * * and where, discouraged, and rendered indifferent to the future, BY THE SPECTACLE of the SUPERIOR ENERGY of their CONQUERORS, they may CRAWL SLOWLY TOWARD THE PEACEFUL DEATH OF WEARY AND HOPELESS SENILITY."

KULTUR?—If THIS be German Kultur—Let's be ROUGH-NECKS!

Up—American WORKERS—and AT THEM! SUPPORT that LINE!
