HAT IF WOMEN WERE DRAFTED? ARE WOMEN EVER DEMOCRATIC? "THE HEART HUNTERS"

# **UST SUPPOSING WOMEN** WERE DRAFTED AS MEN ARE

Letter From a Recruit En Route to Camp the Democracy of Which Suggests Another Picture—Would Girls Pass

the Powder Puff as Boys Do Cigarettes?

"One fellow name jones, who is a typical roughneck, but with a great line of talk, has gone up to the en-gineer and asked if the train has St. Vitus dance or what. He is so funny the gets away with anything. Then fel-ows go to bed in the upper berth ying crosswise in the berth with their

by the crosswise in the beth with their feet hanging out. There is much way, ing of arms and shouting as we pass?
ing of arms and ten cent store, a plumber of a spinning that is happening to them, too. One the superintendent of a spinning who is one of the familiar well-dressed the foot of my bed." but in the next car there is a man who is one of the familiar well-dressed the foot of my bed." but in the next car there is a man who is one of the familiar well-dressed the foot of my bed." but in the next the foot of my bed." but in the next car there is a man who is one of the familiar well-dressed the foot of the was going to Atlantic City on a week- end instead of off to war. The spin to the crowd. That is what I am spin to do."
it is a thing women should learn to spin the foot of the crowd. That is what I am foot perform an abarded out.
it is a thing women should learn to the thing for ber--furnished and a spin the foot of the tere weas

of fellowshin is good. Just a few mo-ments ago I said it was a blamed out-rage that I missed the Red Cross nurse who was passing out sandwiches at the last station, and no sconer said it than I was offered one by a fellow who was probably a bellboy before the draft. Every one's eigarettes belong to the other fellow and we are all equal."

Alice Kent and the Day's Work The Story of a Business Girl Who Would Not Fail By MARTHA KEELEP

(Convricht, 1918, by the Public Ledarr Component

James " WHEN a man goes off to camp there are many novel things to press him, but there is one feature of the new life that makes an extreme impression—the many different classes Alice James raised herself on her el said, using my name for the first time. I nodded miserably. She had never been shy. She could not understand. impression—the many different classes of men that are brought together. It is interesting to read the first letter bome that comes from the boy who bas just gone off to war. Here is one, for example, written in route: "One fellow name i Jones, who is a typical roughneck, but with a great "You'll do," said Alice, "don't flirt too

If she only knew-knew how I dread-"Isn't your headache any better?" "Oh, I don't want to see him tonight war books. He rose from the estate of humble peasant to his military rank. When a friend asked him if he I would hore me. Turn out the light, please, when you go down."

I write drive the stairs quickly. I wanted to get it over. In one of the little reception rooms I saw a man sit-tifue reception rooms I saw a man sit-tifue tone. I hope he would not see how nervous I was. would not remain in the army after the war on account of the social pres-tige it would bring, he thought imme-diately of his peasant wife and said.

#### **Council of National Defense Raises 2000** Groups in Two Weeks

Groups in Iwo Weeks Reading, Pa., Aug. 2.—In less, than two weeks the Berks County Woman's Council of National Defense has per-fected an organization in both eity and county with fully 2000, separate groups. Every district in the city and county has a number of groups, each with its own leader or director. The women are enrolled in 130 different kinds of work. The task in hand is the registration of nen-working women for industrial service. Every other variety of war work or home defense work that women can do is to be included in the efforts of the council.

purpose of raising funds for war work. The "Bandbox" contains each week a new assortment of clothing, the sale of which brings in substantial contribu-

tions to various relief enterprises. It is located at 1623 H street in a spacious room and it is conducted by the wives of officials of the State Department, the wives of foreign ministers and the wives of many of the men prominent in Government affairs.

ernment affairs. In response to word received by the State Department Auxiliary of the American Red Cross that thousands of needy Belgian refugees were pouring into Paris, sales for the benefit of Bel-gian relief work are held every Satur-day. At these sales articles of all sorts contributed by philanthropic worden are offered at low prices and the sales per-sons are leaders in the social life of the capital. capital.

The State Department Auxiliary of the Red Cross has sent to Belgium many garments made by members. Mrs. Rob-ert Lancing takes active interest in the work and even directs the Saturday sales at the "Bandbox."

## **Camp Selby Saves Wheat Flour**

Camp Selby Saves Wheat Flour Two home demonstration agents in Mississippi gave weekly demonstrations to fifty head cooks at Camp Selby re-cently. They taught them the tricks of making left-overs into attractive dishes, showed them excellent breads and cakes made largely from the wheat substitutes, and told them hew to save meat, sugar and fat. As a result of their instruc-tions in the use of the new flours the quartermaster of the camp has reported a saving of 7000 pounds of wheat flour a day. Ask Him to Call These. Cynthia-Will you posses tell me that I shall do? I san very much in-rested in a young man to whom I was irroduced shoul a yer ago, but there was an of the to osside the second state of the and at the too selder. Be Sure That the Player-Piano You Buy Is AEOLIAN JUADE

"N everything there is one standard by the production of Player-Planos that which all others stand or fall. In the one is Aeolian.

The Aeolian Company, pioneers in the industry and exclusive owners of the most important patents in the construction of Player-Pianos, have established and maintained the highest attainable standard in their products-as witnessed by the wonderful Pianola which they use in such pianos as the Steinway, Weber, Steck and Stroud Pianos-which we sell.

But the Acolian Company have gone further. They have succeeded, through great volume manufacture and scientific management in producing the Francesca, a player-piano embodying their wonderful devices of control and made under their most rigid standard-to sell at \$525. Truly a real achievement-placing the ownership of an Aeolian-made instrument within the reach of nearly everybody.

> Settlement may be made through our Rental-Payment Plan, which applies all the reat toward the purchase. Call, phone or write for catalogues.
