Allentown, Pa., Aug. 12—Thomas May Knight got out of the Lehigh county prison here by sawing a steel har and lowering himself with a rope, and then with another rope getting over the high outside wall.

Knight, whose aliases are Frank W. James and Franklin France, is twenty-one years old, and was serving six years for burglary, with a total of twenty-five years hanging over him on six charges. He was convicted of extensive cioning robberles. A detainer had been lodged against him from Norristown, where he is wasted on four charges of burglary. The saw and ropes are new, and it is believed he had a confederate.

Borah Pleads for Action

Senator Borah, of Idaho, urged that Congress should be reassembled without delay to act on the man-power bill. With a big battle raging on the west front and the United States making every effort to expedite the movement of men to Europe, Senator Borah declared "the only body that can enlarge this force is in recess."

"I hope the bill will be reported on Thursday," interrupted Senator Chamberlain, "and at that time I will respect to the saw and ropes are new, and it is believed he had a confederate.

# This Most Important Sale In the Foremost Furniture Store Means Much to You

MOST important, because for quality and quantity of merchandise and economy in cost it surpasses all previous events of its kind-and Van Sciver Sales have always been unequalled in these respects. Most important, because the demand for homes in this section of the country today, is without parallel-and houses are not really homes until they are equipped with all that goes to make them beautiful, comfortable and convenient. For over a generation, home-lovers have rightly regarded the Van Sciver Store as headquarters for furniture-furniture of fine design and construction, furniture that is distinctive, that is a credit to their taste and judgment-and the success of this business has been due to the fact that their expectations have always been realized.
