

SERVICE MEN ENJOY OAK LANE LIBERTY SING—SAVING BABY LIVES AT THE LLANERCH SUMMER HOSPITAL

ALBERT M. HOXIE, WHO LED THE LIBERTY SING AT ASBURY FIELD, HAD A STRENUOUS JOB "BEATING TIME" for the vast chorus, but he seems to be enjoying the task of directing that great open-air chorus of 100 per cent Americans.

"FRANK" LOOKS STURDY ENOUGH, BUT HE IS UNDERSIZE FOR HIS EIGHTEEN MONTHS. He is gaining health and weight at the Babies' Summer Hospital on the Manoa road, Llanerch.

ASBURY GREEN FAIRLY QUIVERED WITH PATRIOTIC FERVOR, as more than 300 marines and sailors, 400 members of the Liberty Sing Chorus and thousands of Oak Lane residents and their guests joined in an enthusiastic "sing" Sunday evening.

HAPPY CONVALESCENTS AT THE BABIES' SUMMER HOSPITAL ARE THRIVING UNDER THE OPEN-AIR TREATMENT and expert care that they receive at that useful life-saving charity carried on at the door of a great city.

WONDERFUL OLD TREES SHADE THE COTTAGES AND MAKE FOR PLEASANT SURROUNDINGS, nature aiding science and motherly care in "salvaging" infant lives at Llanerch.
