

VIVID PHOTOGRAPHIC PORTRAYAL OF THE DAY'S LIVE NEWS HAPPENINGS AT HOME AND ABROAD

**ROOSEVELT IN THE BOSOM** of his family. Left to right: The Colonel and his grandson, the son of Captain Archie Roosevelt; Mrs. Archie Roosevelt; Richard Derby, Jr., holding the family's service flag; Mrs. Theodore Roosevelt and Mrs. Richard Derby, holding the Colonel's granddaughter, Baby Edith Derby.

**SOME DAY SOON** the Philadelphia boys "over there" will be delighted to behold in moving pictures the scenes directly above, which Government camera men have taken for that purpose. In the upper photograph Miss Beatrice K. Eaton is directing a neighborhood "sing," in which the relatives of Philadelphia soldiers are participating.

**FROM TRACK STAR TO AERO COMMANDER** was the experience of Ted Meredith, famous University of Pennsylvania athlete, who has been given charge of an air squadron overseas.

**A SHARP AX IS AS THE RIGHT ARM** of a forester, and the English women in the work of tree felling are up to all the tricks of their wartime trade.

**NOW THAT YOU HAVE IT**, what are you going to do with it, is the question which applies to many Philadelphia householders who are forced to see for themselves how they can transport their winter's coal supply from the gutter to the cellar.

**NONDESCRIPT TYPES OF BOCHE PRISONERS** SHOW HOW THE KAISER IS HARD PRESSED

Young and old, those physically fit and others not so fit, all are finding their way into the German army. Only men employed in indispensable industries are excepted. Contrast these types with the stalwart American soldiers, with whom all of us are familiar.
