A Great Sale of 1200 New Autumn Frocks at \$15 to \$25 on Monday In the Down Stairs Store at Wanamaker's

New Dresses—Every One of Them—In Over Forty Different Styles in Serge, Taffeta and Satin

The Values Are Most Exceptional and Savings Average at Least 25%

They are all copies of foreign models, some of them are exact reproductions of fine French creations, while others are slightly modified to appeal to American tastes. Young girls, small women, average women and large women who wear extra sizes are all taken care of in this remarkable sale.

Not One Dress Is Marked Over \$25

Women have been saying, "Why, it is impossible to buy any kind of Autumn dress under \$25, and even then, they aren't very good!"

are representative of a very small number of the many models that make up the 1200.

We will give a short description of each, to let you know something of the real worth

There is no need to say that now.

or college can get fitted out in exactly the dresses that they need. Working women will find this an opportunity of getting neat serge dresses for very little. And women who want frocks good enough for afternoon occasions during the Winter, or street dresses for the Autumn, can do no better than to buy several of these while

These Are But a Few of the Many Models

Some which we should like to have sketched did not arrive in time, but you can see them all the very first thing on Monday morning at 10 o'clock.

Soft, lustrous satin frocks in navy blue, taupe, burgundy and black are trim-

med with silk fringe all around the overskirts. \$18.75, Taffeta, satin-and-Georgette crepe, satin beautifully tucked, taffeta-and-Georgette crepe, serge-and-satin and fine serge — you will find all these materials in dresses that are pleasing surprises after all that we have heard—and with truth about how expensive all clothing is to be this Autumn and Winter. Clothing will

The Frocks Th at Are Sketched

We will give a short description of each, to let you know something of the real worth of these dresses.

You can choose from many styles of frocks at this price. The dress that is pictured is of blue serge of fine quality with the front and back in panel effects. The sleeves and the sides are of soft black satin and so is the wide girdle. The round neck is picturesque and becoming.

One of the dresses that is sketched is of chif-fon-taffeta and Georgette crepe skillfully com-bined. The skirt is of knife-pleated taffeta and the full side panels are of good Georgette crepe and have wide bands of taffeta at the bottom to give them weight. The sleeves are also of Geor-

Strictly tailored—and how smartly attractive is the result in this serge frock that is the same in back as it is in front! The black buttons, the braid on the large side pockets and on the snugly fitting cuffs are well used.

The blue satin dress that is sketched has an unusual wide belt which ends in an imposingly graceful sash. In front and on the ends of th sash in back it is embroidered with raised silk. which gives the effect of chenile embroidery. The frock has side overskirts and a long, loose panel in the back. This is an exact reproduction of a French model.

500 Fine, Soft Velvet Hats Very Special at \$5

Lovely Autumn hats are these, that will complete any costume with the finishing touch of ornamenting smartness which it needs. The shapes are unusual in variety and becomingness, and every one is an advance model.

Deep Lyons Velvet

covers most of the hats, many of which have lovely colorful facings—plenty in the duil, soft, grayish-tan that promises to be so popular. Rolling brims, quirky points in front, soft crowns with somewhat the shape of the overseas caps, and brims that slope downward are all charming features.

Ornamenting Them

are bright chenille-covered balls, or perhaps chenille fringe; also little fluffs of ostrich, iridescent wings of birds, or beads used in various ways.

Any number of smart perky bows can be found, and then, too, there are hats that depend upon line alone for their attractiveness.
