Reports from two observation stations ere that sixty Germans were observed ntering their own lines with wounded, ut no reports from the American front PEACE CLAMOR hes had been received at this hour. AT KAISER'S BID erns probable that the raid which eveloped after the artillery fire was eaten off with casualties to the enemy.

AMERICANS REPEL RAID IN ALSACE

### By the United Press

With the American Armies in France, In a sharp fight northwest (in Alsace) the Americans heavy raid following an inman barrage, in which more mine throwers were used relieve sand the back areas. The Germans came on with flame browers. The Americans met them, and the cause of a fierce fight at close ange, in which grenades, bayonets and fiese and other supplies, which were cap-three down a number of finare throwers, three down a number of finare throwers. three down an unber of finare throwers, three down a number of finare throwers. three down a number of finare throwers. three down a number of finare throwers. three down an unber of finare throwers. three down a number of finare throwers. three down a number of finare throwers. three down an unber of finare throwers. three down and three down and three down and throwers. three down and th our trenches and 1000 big calber

almost overran France. We came as near obtaining a military decision as Scheldemann and Mattias Erzberger, the former Socialist, and the latter of the Catholic Center party, would be members of the torse reports gave rise to a belief that a strong peace element would be this atment, urrauing that imposibilimies, spend next summer, as we spent this summer, pursuing that impossibil-ity, a military decision?"

MANY KILLED WHEN Washington expects to hear much of GERMAN TROOPS MUTLNY

Washington expects to use interval to the appeal from Germany, now that Hindenburg is back upon his line. If he succeeds in holding there, the sug-restion will be made that the deadlock has been restored, that Foch is power-Amsterdam, Sept. 11.—A German regiment, the Twenty-fifth, mutinied at Cologne August 31, according to the Telegraaf. An eyewitness of the incident says that the soldiers on being ordered to leave Cologne for the western front re-fused to board a train. Another regi-ment was then ordered to force the re-fractory troops to enter the cars, but they refused to fire on their comrades. A denchment of the home defense guard, composed of youths, was then ordered to undertake the task, and a fight followed in which eleven boys of the defense guard were killed and many others were wounded. ss to advance, that the importance of his recent achievements has been over-rated, since he was only pursuing a force that was voluntarily retiring to a

line of greater safety upon which it could make a stand that would render a military decision in favor of the Allies

impossible.

Army Tries to Anchor The Germans count now upon a check to the Allies and upon the ex-haustion of their spirits that will follow upon the end of Poch's victories. If the Allies can be stopped, or if their fu-ther progress can be slowed up, much will be heard of the suggestion in Ger-125,000 Here Subject

rifles and other supplies, which were cap-tured by our troops. More than sixty Germans were counted running back from the American trenches. They carried a number of dead and wounded. Despite the large number of patrol operations, the Germans for weeks have been unable to take a single American prisoner on the Lorraine front. Cap-tured Germans say they were ordered to get prisoners immediately, or it would be necessary to make a raid as big as a regular attack in order to secure the in-formation by the enemy commanders.

U. S. LOSSES LIGHT

Washington, Sept. 11 (By I. N. S.).— "Except for artillery fixting in Lorrains and in the Vosges, the day passed quietly in the sectors occupied by our troops." General Pershing reports in Section A of his communique for September 10, made public by the War Department this afternoon. Botton B is given over to a descrip-tion of the hostile raid in Woevre, re-when 200 German infantrymen, ac-our lines between Filrey and Limey, but were routed. A second raid on the sam-day was repulsed. The American cas-ualties were exceptionally light, the com-munique says.
