

A MESSAGE TO SHUT-INS FROM WOUNDED SOLDIERS

The Spirit That Makes Them Learn to Do New Things Because They Can No Longer Do the Old Teaches Us the Finest Thing in Life Is Service

THERE is a marvelous and glorious lesson in the war shut-in for all those who suffer the pain of body and soul that comes to men and women deprived of normal health.

A Milk Toast Come, fill your glasses brimming up And raise them overhead! I'll pledge a toast before I sup, So hasten with the foaming cup, It's nearly time for bed!

IN THE world the only thing that counts is service. It is the thing that buys love and a real place in the human family.

I THINK I am justified in being that little bit of a shut-in because the reverse of the picture is so happy. I know a young girl confined to a wheelchair who refuses to be considered an invalid.

THE DAILY NOVELETTE THE WHITE RABBIT

"BUT, my dear young lady, I'm afraid that your scheme will prove quite impossible. As I understand it, you wish to build a houseboat on which you will serve tea and fancy crackers for the Red Cross."

"I would like to be a success," she said, "and it's sure to be a success. For everyone drinks tea, you know. Now please give me mother's money. Mr. Brenton replied soberly: 'but if you really want to help win the war, why not go into the Red Cross?'"

DELICIOUS DESSERTS MADE MINUS SUGAR

Recipes Given for Apricot Ice, Tapioca Fruit Mold, Custards and Other Dainties

The sugar situation continues to puzzle housewives at times, especially when little voices that do not understand want to know "what's for dessert?" Here are recipes selected by the food administration telling of sweets that do not require sugar.

Lemon Jelly Two and one-half cups of boiling water (two cups of boiling water, if corn syrup or honey is used), one cup of sugar or one and one-third cups of corn sugar, one-half cup of lemon juice, two tablespoons of plain gelatin, one-half cup of cold water.

A SEPARATE SKIRT IN SMART TRICOLETTE

PLEASE TELL ME WHAT TO DO By CYNTHIA Tells R. N. E. to Forgive

"Dear Cynthia—In your letter to Cynthia, 'R. N. E.' you professed to have loved a certain sailor boy and were disappointed when he was responsible for the breaking of your heart. You said that the boy, having seen his mistake, repented and wanted to take back what he had said. You are uncertain."

And now it is the separate skirt that comes in tricolette. This one has silk fringe exactly matching the material

A Daily Fashion Talk by Florence Rose

When the imported models were being shown at the openings last spring I mentioned very distinctly the few garments displayed which were made of tricolette.

A Maid and Two Men

The Story of the Girl Who Was Left Behind By HAZEL DEYO BATCHELOR Copyright, 1918, by Public Ledger Co.

"THE STORY THIS FAR Ruth, Rowland, New York society girl, is loved by Jack Bond and Scott Raymond and she is being courted by both of them. After Raymond has called to Bruce the brother of the woman who is left behind, the marriage of Helen Brander to the woman who is left behind is somewhat of a surprise. Ruth takes up work in a hotel in New York."

Then they went over, in the quiet blackness. Crawling, crawling over the ground, pulling themselves along somehow, easing themselves over roughnesses, dragging themselves up when they could and sinking quickly to the earth to lie quiet when binding boots, light star shell burst suddenly over their heads, lightning the ground underneath their radiance with a strange flare.

'A Poem for the Professor'

"Dear Cynthia—The following is a rhyme dedicated to the 'Professor' who says the girls do not like him. He is a very nice fellow. 'Professor' do not fear. On account of these few words. We are doing it for you. We are doing it for you. We are doing it for you. We are doing it for you."

How to Encourage Him

"Dear Cynthia—In what way would you advise me to encourage him? I love him and think he is a very nice fellow. He is a very nice fellow. He is a very nice fellow. He is a very nice fellow."

The Navy Camouflages Too

"Dear Cynthia—I would like to say a few words about the use of camouflage. The navy has adopted camouflage for its uniforms. The navy has adopted camouflage for its uniforms. The navy has adopted camouflage for its uniforms."

USED RESINOL FOR BAD SKIN TROUBLE

Considers Recovery Remarkable Brooklyn, N. Y., Aug. 14.—"For almost six years I suffered from a severe case of skin trouble which began with swelling and intense pain in my knee. Then my leg became inflamed and sores broke out, which itched and burned terribly day and night. I tried many remedies, but gained no relief. I even spent six months in the hospital, and the doctors wanted to amputate my leg. At last I tried Resinol Ointment and Resinol Soap and obtained relief from the first application. My knee is now well, and I consider the cure remarkable, as my trouble was very serious." (Signed) Mrs. Henri Mathis, 415 Hooper Street. All druggists sell Resinol Ointment and Resinol Soap.—Adv.
