What a \$16-a-Week Girl Did

The Liberty Loans have made girls awe in spite of any of their expenditures. In most cases, where girls are employed by large concerns, it has been arranged to have a dollar a week introduced that the second taken out of the pay envelopes of the second taken out two bonds of each issue. By the time the third ions came the fourth loan has come of the bonds were paid for, and now that the fourth loan has come of the bonds were paid for, and now that the fourth loan has come of the bonds were paid for, and now that the fourth loan has come of the bonds were paid for, and now that the fourth loan has come of the large that the hand-co-smouth and the paid to the

The anotorious and sorry fact that that same girl put away four dollars business girls do not save their money. Paradoxical in the sense that the young business man does, save because he expects to get married.

BECAUSE of this financial paradox to the girls. Liberty Loans have proved a boon that can never be estimated. They have turned a nation of hand-to-mouth women into a nation of boldholders. And it isn't the money that counts so much. The fact that they have learned to save and can never uplearn their new talent is the biggest benefit.

Saving is absolutely only a matter of habit. If you cannot put by a little on twelve dollars a week you will never be able to save out eighteen two ways that you do not learn to ave systematically in spite of any of your expenditures now having plenty of rest and good food for a weighteen to save and will never be able to save on highleen two plants of the control of

Dear Madnon-Can you tell me what
causes the norm of the face to become enlarged? Please advise me how to remedy
this.

ANXIOUS.

Cortain conditions of the skin and general health will cause the pores to become enlarged. To remedy this treat the face with a good facial soap and hot water, bathing with cooler water afterward. Then rub ice over the face until it feels stiff and smooth. This refines the skin, and if repeated every night will contract the large pores.
