## AY-OFF AND SPLIT **HOOF NO HANDICAP** TO OMAR KHAYYAM

Cinu's Sensational 1917 Three-Year-Old Upsets Dope in Capturing Marines' Liberty Bond Purse at Laurel in First Start in Four Months

By ROBERT W. MAXWELL.

Sports Editor Evening Public Ledger Laurel, Md., Oct. 3, MAR KHAYYAM busted into the limelight for a second time in his areer yesterday afternoon when he captured the Marines' Liberty Loan cap from Slippery Elm and Crimper. The Viau thoroughbred stepped off the mile in 1:38 flat, which is within two-fifths of a second of the track

The mere winning of a race from two horses like Slippery Elm and Crimper is not much of a stunt under ordinary conditions, but Omar's sctory was considered quite significant among the followers of the sport colt has been on the sidelines for more than four months and was slated Part of his left front hoof had been cut away, and it takes considerable line for an injury like that to become sound. That was the high-low on sible for numerous bets on the other entries

But Omar fooled them all. He got away to a bad start and trailed the field. Sli, pery Elm took the pace, with Crimper on his heels. Four lengths in the rear came Khayyam, and for a time it looked as if he were out of it for good. At the quarter he held his position and dropped back length at the half-mile post. He drew up a little at the three-quarters

As they turned into the homestretch Jockey Kummer gave Omar his ad and slowly the lead was cut down. One hundred yards from the wire the Viau entry suddenly lunged into the lead and won by a length.

It was a wonderful race and easily the feature event of the day. The victory also was a popular one, and even the losers paid homage to the Ifttle colt. It was his first start since he was beaten in the Pimlico Spring Handicap last spring and his work was a surprise to all.

TOOK all summer for Trainer Sandy McNaughton to get the IT TOOK all summer for Trainer sanay st., Omar varried 133 horse in shape, and his efforts were rewarded. Omar varried 133 pounds and was a 3 to 5 shot in the betting.

### Slippery Elm Looked Better Than Omar

THE best horse in the race was Suppery Elm, who won his last five races at Havre de Grace. This horse was supposed to be ready for another win, but couldn't stand the final sprint.

One of the gentlemen of the truck, who wore an inconspicuous black and-white checked suit, topped off with a flaming red necktie, confided to us that Slippery Elm had a swell chance, but a bum lockey was up.

"However," he said. "I'm betting the borse has some sense if the jockey hasn't, and my dough goes down against Omar.

His alibi was good after the race. Four favorites and three outsiders copped the money vesterday. Dottie Vandiver, Franklin, Omar and Indian Chant were the first choices, and Leffare, Subahdar and Lazy Lou handed their backers the only big prices of the day. Indian Chant was lucky to win in the sixth, however, for Fountain Fay, touted as one of those "good things," was left flat-footed at the post and got away a dozen lengths to the bad. He made up the lost ground and finished third, which was pretty good traveling.

In the second event the judges got in bad with the crowd when they gave Dottie Vandiver the verdict over Duchess Lace by a nose. The latter coming up fast at the end and from the stand it looked as if she had won. However, the protest was unheeded, as is usually the case at the

LAZY LOU scored a great victory in the final event, beating Nipel, the favorite, with lots to spare. The Belgian II was the hot tip on this race and the hoss is running yet.

### Billy Kelly and Eternal May Meet October 17

WAS reported at the track that the much-talked-of race between Billy Kelly and Eternal, two of the best two-year-olds of the year. be staged two weeks from today, meaning Thursday, October 17. This match has been the sole topic of conversation down here and in New York for the last month, and the announcement of the probable date is most welcome. Billy Kelly won several special events at Saratoga, showing a world of speed, and Eternal, who is a son of the immortal Dick Welles, won the Hopeful Stakes at Saratoga some time ago.

At first a three-cornered race was discussed, with Purchase as the third entry. That horse finished third in the Futurity after getting off to a burn start and wandering all over the track. He was labeled a big leaguer on that day, but afterward biew up like a bush leaguer. About a week ago he was badly beaten and was sold to Sam Hildreth.

According to the gossips, Sam bought Purchase for Harry Sinclair, oil magnate, who once worried organized baseball with his Federal League. Herry has taken up the tacing game, and it would not be at all surprising to find his horse entered in the big race.

J. K. L. Ross, owner of Billy Kelly, said he was willing to enter his horse, providing it was for a \$10,000 sweepstakes and the Laurel track put 310,000 more. Colonel Winn has agreed to this, which means the race rill be for \$30,000, equal to that of the Hopeful and Futurity.

COLONEL McLELLAND, owner of Eternal, now is in Canada, ments will be made.

## Cudgel May Start in Big Race Saturday

THE first big race of the season here is scheduled to take place Saturday, when the Baltimore Handicap renewal will be run. Much interest being taken in this race, because it promises to bring together the best see now in training in Maryland and a few from the New York tracks. One of the most brilliant performers quartered here is Cudgel, Commander J. K. L. Ross's \$30,000 Broomstick four year-old, which left Saratoga last Cudgel didn't have so much luck in New York, due to the heavyight handicap he was forced to carry. When Cudgel was brought South that noted trainer. H. G. Bedweil, few believed Cudgel had a chance of regaining his early-season form. All this dope was shattered last Saturday when he outran two such sterling entries as Red Sox and War

Cudgel will not have an easy time of it in the Baltimore Handicap. He already has demonstrated that he is good and now will have to shoulder the burden, and the horses he doubtless will be called upon to beat are dage, Aurum, Westy Hogan, Sunny Slope, Midway, Leochares, The Porter and Slippery Elm. Westy Hogan is counted upon to cause Cudgel plenty of trouble. It will be remembered that Westy Hogan forced Cudgel lower the American record for one and one-sixteenth miles to 1:56 in ing the Schenectady Handicap at Saratoga. Westy Hogan showed ood form at Havre de Grace and Sandy McNaughton has brought him to Laurel in tiptop condition.

THE PORTER and Leochairs belong to the stable of Educard Beale McLean, of Washington. The Porter probably will be

#### McLean's starter, as he favors the distance in this race, More Than One Thousand Speeders Present

ONE of the best fields of turf performers in America now is quartered here. More than one thousand high-priced pieces of horseflesh are on on and the regular stake program promises the keenest sort of n. Steeplechasing also is to come in for its share and some very timber toppers are all tuned up to take the hurdles,

One of the big features of the present meeting is the Liberty Bond ing. Every day one of the purses is paid in the fourth Liberty Loan General Manager Matt Winn has made provision for this. These are identified by such aggressive titles as Navy Bond Purse, Advance nd Handicap and the one yesterday won by Omar Khayyam the of Liberty Bond Handiesp.

After each race the owner of the winning mount and of the second and d horse are summoned to the grandstand along with the rider of the ant horse. The owners are presented with Liberty Bonds to cover several shares of the purse and the Maryland State Fair Corporation the winning jockey a Liberty Bond.

BUT the big Liberty Loan Handicap is the real feature of all the Laberty races.

B Liberty Loan Handicap is certain to interest if it brings together me of the best two-year-olds. Billy Kelly is one of the best now ed here. In his last two starts he was a winner, but was favored ter of weight. He got in both sprints much lighter than a horse

### Carpentier Almost Made Trip to This Country

New York, Oct. 3.

In spite of the talk that there was no chance of an American tour by Georges Carpentier, the French heavyweight champion, until the war is over, it was learned last night from Jack Eller that not so many weeks ago the boxer had come within an ace of boarding a ship for this country.

Eller, who was a Y. M. C. A, athleted director in France and who returned here only a week ago, said that he had arranged to have Carpentier make a tour in this country for the benefit of the You. C. A. War Work Fund, and that the boxer was greatly wrought up over the prespect of making his long-sought visit to America.

The pinns for his sailing were com-

of making his long-sought visit to America.

The plans for his sailing were completed. The French military officials declared that they would be only too gind to give Carpentier a furlough to come here, but before he would be permitted to leave they wanted an official request from some authorized American war activity. They declared that if the Y. M. C. A. said the word they would send Carpentier away with a smile.
