

THIS is Prussianism!

“By their deeds ye shall know them!”
Ruin, Destruction, Desolation mark
the pathway of the Hun. Rheims and
Louvain! Their shattered towers and
crumbling walls cry to Heaven for Vengeance!
Remember the fire, the sword, the axe that laid
waste the whole countrysides with no other pur-
pose than ruin.

Now, crush this THING that is base and vile
and shameful, and crush it forever.

This is AMERICANISM!

Buy Bonds with cash and buy them on
installments! And do it now!
