

PENN FOOTBALL ON TOONERVILLE TROLLEY SCHEDULE—LONG OVERDUE, BUT EXPECTED SOON

PENN AND GARNET MAY BATTLE IN NOVEMBER

Health Board Calls Off Tomorrow's Game, but Contest Is Likely to Be Held Next Month

MARINES TILT IS SURE

By EDWIN J. POLLOCK

Ball season is going to get under way in full swing against a regular college team, but that day isn't tomorrow and it isn't next Saturday, either.

Quaker football authorities, coaches, players, students and water boys were going under the assumption that the game scheduled with Swarthmore for tomorrow would be played.

When Bill Hollenback announced to his players that the Swarthmore contest had been canceled they were discouraged considerably.

Harold Kamerer, who recently was barred from the student's army training corps at Penn and is therefore ineligible for the football team, is out on the gridiron every day taking the bumps and bruises of the daily scrimmages along with the rest of the candidates.

Two dates are open in the Penn slate and the Garnet probably could and would fill in either. The first is November 23 and the second November 30.

Most everybody says that the Ithacans have a football eleven and will play here. Despite the fact that any one will tell you that Cornell has a team, Al Sharpe knows nothing about it; but, of course, he's only the coach.

In case it turns out that Cornell does

not have a team, rumors to the contrary notwithstanding, Penn will have November 23 open, as we have stated elsewhere. Swarthmore may be able to play on that day.

It was the original intention of Graduate Manager Bushnell to have the Quaker season end with the Cornell game, or, to put it in better form, with November 23; but in view of the few games, it is probable that the gridiron year will be extended to November 29.

The Gridiron may be able to fill that date.

Marines Will Open Season

As it stands now, it looks very much as if the season would get started next Saturday, but a college team will not be played.

The United States Marines of League Island, and the Dickson, will be the attraction at Franklin Field, and it is not likely that the health authorities will interfere.

The Marines played Lehigh at Bethlehem last Saturday when Keady's boys were under quarantine. Penn is not quarantined, but if the health board so orders the game may be excluded from Franklin Field as they were from Taylor Field.

Toss Overcoats Into Ring in West Now to Stop One-Sided Battles

They're among a new one in boxing. The day of the sponge and towel soaking into the ring as a signal of distress seems to have passed.

In faraway Portland an athletic manager has introduced a new but expensive bout-stopping stunt.

Half Henson, a Portland light-weight, was giving a great demonstration of how to resist without giving.

When it seemed certain that Henson would win, he was given a towel by the referee.

Finally, in desperation, he grabbed an expensive overcoat off the lap of an indifferent spectator, buried it into the ring, stopped the battle and saved his protegee from further beating.

man military machine can come back, for a while anyhow, and it is evident President Wilson's last note has hurt the pride of Germany.

"I must confess I am not very optimistic over a quick peace. I believe we will have an early peace, that is, inside of a year, but I don't feel like revising that famous old slogan, 'Out of the trenches by Christmas.'"

For the second time this year Fred Knight, of the Aronovnik Country Club, has won the golf medal for the low qualifying round.

He has not missed an Atlantic City tournament in years. He is a collector of golf clubs, and he stands ready to buy any club that meets his fancy.

DR. WEBB MAKES GOLF SHOWING

Surprises by Landing Berth in First Sixteen Over Northfield Course

By WILLIAM H. EVANS

Atlantic City, N. J., Oct. 18. Among the six Philadelphians who made the first sixteen in the fall tournament of the County Club of Atlantic City is the Rev. Dr. Amalia Webb, pastor of the Central North Bend Street Presbyterian Church.

She was recognized as one of the finest players in Kentucky. A number of years ago he met with an accident, and his left side was temporarily paralyzed.

He had been a left-hand player, but when he was able to be out and about, he found that he could not use his left side and in desperation he started to learn the game over, playing right-handed.

As a result, he plays equally well right or left-handed, and he can play over a course in the morning left-handed, and virtually duplicate the score in the afternoon right-handed.

He has not missed an Atlantic City tournament in years. He is a collector of golf clubs, and he stands ready to buy any club that meets his fancy.

ANDREW MILLER RETIRES ROAMER, NOTED SPEEDER

Famous Thoroughbred and Winner of Rich Stakes Has Run Last Race

New York, Oct. 18.—Roamer, the idol of the turf, has run his last race of the year, and perhaps forever.

Andrew Miller, who owns the famous thoroughbred, said yesterday that he had thrown the champion out of training and that unless the old campaigner shows strong indications of returning to life best form he would send him into permanent retirement and keep him in style until he goes to horse heaven.

There is nothing physically wrong with Roamer. He is without a blemish and as sound as the day he was foaled.

He is seven years of age, and since early in his two-year-old year he has been in training almost continuously.

He had been a left-hand player, but when he was able to be out and about, he found that he could not use his left side and in desperation he started to learn the game over, playing right-handed.

As a result, he plays equally well right or left-handed, and he can play over a course in the morning left-handed, and virtually duplicate the score in the afternoon right-handed.

GEERS PILOTS WINNER IN BIG ATLANTA RACE

Veteran Reinsman Drives June Red to Triumph in \$25,000 Stake Event

Atlanta, Ga., Oct. 18.—Murry and Geers divided honors in the fourth day's card of Grand Circuit races here yesterday before the largest and most distinguished crowd of the season.

George Geers, veteran driver of the June Red, won the first heat, steering the commanding colts of the four groups in the vicinity of Atlanta occupied boxes.

In the Georgia Railway and Power Cup for 2,977 tickets for a purse of \$22,000, How Houser won out. Kelly, the fastest in the first heat, steered the June Red away in front in the next two heats, and though challenged at every post down the stretch, the mare had sufficient reserve to finish first in the five-furlong race. Miss Harris was extended in only one heat.

Famous Wing Shot Dead

Hazleton, Pa., Oct. 18.—Hugh Blummore, of Beaver Brook, well-known pigeon shot, died during the night from bronchial pneumonia, following an attack of Spanish influenza. He was thirty-five years of age and was scheduled to meet Peter Breshler, of Jenkensville, in a match for \$200 on the Park View grounds, October 25.

Michigan-M. A. C. Game Off

Ann Arbor, Mich., Oct. 18.—The football game between the University of Michigan and the Michigan Agricultural College scheduled for tomorrow was canceled yesterday at the request of the state board of health because of the influenza.

Manager Ramsey does not look for a championship team this season, but he does say that before the season ends he will have a strong contingent in the field.
