## POLITICS IN STATE AFFECTED BY GRIP

Republicans May Cancel Active Campaign Because of Epidemic

DECIDE NEXT WEEK

Bonniwell, However, Continues Individual Canvass in Fight for Governor

Further campaigning by the Republican candidates for State offices moduly will be dropped because of the influenza. opidemic over the State
A conference by Republican leaders
early next week will decide whether the

State-wide campaign which was sus-bended for the period of the fourth Lab-erty Loan drive will be resumed.

erty Loan drive will be resumed.

The prospects at present are that there will be no further toaming of the State by the Republican compains party.

Because of the absorbal situation brought about by the war the Republicans started their State-wide nampaign this year along different lines from any preceding campaign. Instead of the usual invasion of the sural districts on a handshaking expedition and the hold-ing of mass meetings in the important cities and towns the State candidates
