"Christmas" is what America is telling us to do when speaking through the council of national defanse, she says do your Christinas shopping now. And it bash's pretty easy matter to make its "close out OSVIK."

It is time a great many women are doing their very best to unotedito

and no one can way the stores are no doing their part, but many, say to doing their part out many in many, of its are sitting buck Walting for the last rosh. Perhaps h isn't fair to say we are sitting buck. Most women not doing their clurations show ping now are up to their eves in wa rk and feel it would be the unpa notic thing to stop and decote time Santa Claus just now when other

matters press. But it is a very high torm of pa triotism to cooperate will a fully plans. By spreading the fullytime shopping over a period of several months there is a plant man and woman power ment stores have agreed men alua clerks are to be taken on ho cope will the holding powers, and it is because of this the shoring must be second over a greater period. In other years

over a greater worked. In other years, thousands of exits burds were label on during holding time this year as we have sold it is all to be done away with in order that those hards ensits see how is is patrictly to reach erate with these name.
