## **HOG ISLAND LAND** PURCHASE BY U.S. IS AUTHORIZED

Acquisition of Ground at \$1,706,000 Step to Federal Ownership

OFFER FOR I. M. M. FLEET

Shipping Program Are Announced Here

Two important developments in the shipping situation, with the upbuilding of a great American merchant marine as their goal, and indicating a decided step toward Government ownership, were announced here today:

First, the purchase of Hog Island, the site of the world's greatest ship-yard, by the Government from the American International Shipbuild-

ing Corporation.
Second, announcement that the
United States Shipping Board has
offered to purchase from the International Mercantile Marine a fleet of eighty-three vesels. These ships con-stitute the fleet for which British interests were about to close a deal two weeks ago, when the Govern-ment asked that the deal be held up. The United States Government has

had been reached was made this morning by J. L. Ackerson, vice president and assistant general manager of the Emergency Fleet Corporation.

Purchase of Land Logical Step Mr. Ackerson said the trustees the shipping board had directed the Fleet Corporation to proceed to ac-Government's option, which makes the rchase possible at the original pur-ase price of \$1,700,000. How near the formal proceedings are to consum-mation Mr. Ackerson said he did not The matter is in the hands of Charles Piez, general manager, and Charles Day, a trustee of the shipping

Purchase of Hog Island liself was the logical step for the Government to take, Mr. Ackerson asserted, it hav-ing expended \$57,000,000 on the contruction of fifty shipways there; seven ders, each 1000 feet long, and a wharf 000 feet long, and housing quarters or the workers. It does not necessarily mean that the Government will continue to operate the plant as a ship-pard after pending contracts have been fulfilled. These contracts, calling for 180 standard ships in all, will keep 180 standard ships in all, will keep the yard busy at least until 1920. Fleet Trolley Hits Truck at 17th and Corporation officials frequently have predicted that eventually the shippard would be reduced to ten ways, and have that the shipping board might dispose of both the site and improve-

Hog Island originally was purchased tion as the site for a great ocean rail took to build ships to meet the war needs and awarded the largest single contract to the American International Shipbuilding Corporation plans for a shipyard. The contract was signed Sep-tember 13, 1917 abandoned and the site selected for the tember 13, 1917, and seven days later actual construction began. On February 13, 1918, the yard was 50 per cent complete, and on that day the first keel was laid. On August 5 the first ship, the Quistconek, was launched. Officials of the yard claim that all of the 180

\$95,000,000 for I. M. M. Fleet In addition to the shippard itself the Government erected outfitting plers and wharves, which noted engineers have said can easily be converted into the greatest ocean rail terminal in the world and give the port of Philadelphia unequaled facilities for handling over-

Acquisition by the Government of the International Mercantile Marine's fleet. including the steamship Olympic, will add 730,000 gross tons or 1,000,000 deadweight tons to the American merchant marine, when the ships are finally transferred from British to American registry. The price offered is approximately \$95,000,000.

Directors of the company met in New York today to consider the offer and although no direct announcement of its mas made, an offic'al of the company said that such an inference could be drawn from the following statement which was made after the

have been advised that the Goverunient is prepared tto take over the owership of the vessels upon the terms of the British offer and details are to

The British offer referred to is that made by a British syndicate to purchase the ships, negotiations with which were haited when the United States Government offer was tendered.

## AMBASSADOR DAVIS HOME

## Newly Appointed Envoy to Great

Britain Arrives in New York New York, Nov. 27—(By A. P.)—John W. Davis, newly appointed American Ambassador to Great Britain, was a passenger on the French line steamer Eppagne, which arrived here today from Bordeaux. He was recently in Berne, attending the conference of American and German delegates on the exchange f war prisoners.

It was announced before he sailed hat he expected to return to London December to take up his new post.
