Men's New Winter Overcoats Reduced to \$23.50 Each in Victory Sale No. 90

Store Closed All Day

Uncle Sam and Santa Claus
Have Combined
to Give the World the

Christmas of Christmases
and the
Thanksgiving of All Thanksgivings

Why, do you realize it

That Our Beloved and Gallant Boys

are face-front to the steamships and are hauling up anchors and setting sail almost every day to be home for Christmas?

Can you really believe that two big ships landed a lot of the boys day before yesterday?

They will now be coming every day for us to nurse and love and take care of.

Surely, the best we can get and give them for their

Home-coming

will not be half as good as we wish our welcome to be when we sing

"God Bless Our Boys;
They Are So Dear to Us."

Let us make a Thanksgiving week of it.

[Signed]

John Wanamaker
