

and Justice von Moschzisker, the police are no nearer a solution of the bomb outrages than they were on Monday MILK DELIVERIES night.

They have a fairly definite idea that the bomb outrages in this city were executed by radicals in the I. W. W. and that "terrorists" from New York were

mported to do the work. That clue represents the work of the detective force to date.

So far as knowing the identity of men who might have been implicated. the police are compelled to resort to a questionable characters that was prepared by Government agents and private detectives in shipyards and munitions plants.

hours after Edward Moore, avowed anarchist, had been freed yes-terday by the police of any suspicion of participation or knowledge of the re-

scope of I. W. W. influence here during the war. Moore said that every stick of dynamite, every pound of powder and every shell that went overseas from "An adequate milk supply is a vital port and the navy yard was loaded on the vessels by longshoremen who were nembers of the I. W. W. ' "I don't know that the Government

had any agreement," he said, "with the I. W. W., but the officials must have known that the longshoremen were connected with the organization. There wasn't a longshoreman employed al League Island who didn't hold a card League Island who didn't hold a card in the I. W. W., and the whole situation here was under the control of Local

No. 5, which meets at Second and Catharine streets." Moore did not make this statement,

he said, to plead for consideration for the I. W. W. because of the loyalty of In winner of the Croix de Guerre, was greater part of the stewart during the reasen to be fold at members of the Sewart during the reasen to be fold at members of the Sewart during the reasen to be fold at members of the Sewart during the reasen to be fold at the Houston of Oriental members of the Sewart during the reasen to be fold at the Houston of Oriental members of the Sewart during the reasen test or commanded the Stewart during the reasen test or the counting the reasen test or test or commanded the stewart during the reasen test or test or test or commanded the stewart during the reasen test or test or
