EACHERS' PAY **INCREASE URGED**

lunicipal Research Bureau **Makes Strong Plea for Higher Salaries**

COMPARISONS DRAWN

Still While Other Cities **Grant Advances**

The Bureau of Municipal Research, in

weekly bulletin "Citizens' Business." kes a strong plea for better salaries the teachers in Philadelphia schools. Inder the caption "Overpaid?" the

hort hours and pleasant work. The bureau points out that in Cleve-

nd and New York teachers' salaries in the ve increased materially in recent ars, while there has been no general crease in the Philadelphia schools

nce 1914. The text of the bulletin follows:

Now that this campaign for increas-the salaries of teachers in waging. many are volcing the sentiments of entleman whose letter to one of our wapapers was published recently? He is that the teachers are very liberally id for their short hours and comparaely easy work. They are subject to physical fatigue and their mental ain is over only a few hours of the Or, how many people of our city tain an attitude of absolute in-rence? In sharp contrast to these classes is another whose interests movement have been keenly betterment of our whole school sys-To which of these classes do you

Increased in Other Cities

"In other cities, those outside of nsylvania, an increase in salary has n given to the teachers several times the last few years. For example, i veland from 1915 to 1918 elementary achers' salaries show an increase raded up to about 30 per cent with maximum salary of \$1600. In New rk, salaries show an increase graded to about 15 per cent with a maxim of \$1920. In Chicago, the increase from 9 per cent to 14 per cent with

maximum of \$1500. * maximum of \$1500. *In Philadelphia teachers have had no increase in salary since 1914. There are in this city 7136 school teachers, principals and clerks. They receive yearly a salary of \$6,476,330, an aver-tee of \$907,54. The elementary teacher's mary to begin with is \$600. Just think this found went they found won \$600 a It: Count you live today on \$600 a ar? Each year the teacher receives increase in salary. Do you know at that increase is? It is a princely up, \$3 per teaching month, or \$30 per year for five years, and then, if she qualifies, \$50 per year. After ten years hard work she obtains her maximum. ed a grammar grade, in ten years' bridge was built with an electric draw. she will receive a maximum of
