Today's Fancy Turns Toward Three-stone Diamond Rings

Perhaps, with many other people, you have the feeling that diamond gains in brilliancy by having other diamonds as com-

It would be hard to imagine any settings more calculated lisplay the beauty of the gems than these. In some cases the three diamonds have diamond-paved ntings or are held by exquisite lace-work like designs.

In other cases the diamonds are in cupidon settings with no er ornamentation. It is hard to decide which is the more beautiful.

Prices from \$425 to \$2250.

(Jewelrs Store, 4 hestuar and Thirteenth)

New Dark Blue Serge Frocks for Young Women

Not radically different from the freeks they've been wearing, but interesting and new, and suggestive of the new Spring fashions. Ever so many are braided-with rows and rows of ning, silken soutache. And others are embroidered in scroll effect. Many have the youthful round necks that girls and their older ters like, some have sashes, and others are new as to sleeves and ts. And one smart little frock has a darking bit of color-cherry linings of the pockets, with just the edges peeping over. \$20, \$27.50 and \$32.50-and in 14 to 20 year sizes.

(Second Ploor, Chestant)

So Much Reduced Are Women's Winter Hats

you will find it a great economy to come in and find one that suits if you are looking for a hat or two to finish out the Winter. There are velvet hats for everyday or dress wear-small and large trimmed with flowers, feathers and ribbons.

Velour hats, too-soft English velours in many good colors and

All are greatly reduced-some half their former prices-many less than half.

Think of 20 Styles of Wash Skirts in January!

Never was such a thing heard of before! But then women never started as carly to want white skirts.

Not content with one of several models, they are buying hree and four, so it seems safe to prophesy a fine season for

Shrunken gabardine, Irish linen, Russian cord pique, Ottoan cord and real Cossack linen are the materials, and the fashions are lovely. There is a slight tendency towards a narlower hem line, with gatherings at the belt for sufficient fullness, ilso oddly shaped pockets, trimmed with beautiful buttons, some with the material running through the buttons.

Starting at \$3.75 for two styles in gabardine, prices go to 13.50. Extra sizes, \$5.75 to \$15.

These prices are exactly the same as last year's.

(First Floor, Central)

Women's New Velour Coats. Have Long Fur Collars

I'wo styles, just as pretty as they can be, and both within the um tange of prices that so many women want. One model has side panels below the strap belt and the long ted collar is of nutrin or near seal, \$47.50.

The other has gatherings at each side under the strap belt and g pointed collar of taupe nutria or near seal, \$57.50. loth coats are entirely silk lined.

(First Floor, Central)

Jersey Cloth in Spring Colors

(Main Ploor, Central)

The color range, in fact, is longer than that of any other light weight woolen material. And jersey cloth, at this writ-ing, is just about the most fash-ionable material for Spring frocks. The width is 54 inches and the price \$4 and \$6 a yard. (First Floor, Chestnut)

An Interesting New Lot of Handbags

They are of silk, in black, navy, brown and taupe, and are large,

But it is the frames that catch the eye. They are of white metal, closely resembling sterling silver, and are in handsome and effective

Prices, \$11, \$12.50 and \$15. (Main Floor, Chestnut)

American Blouses With Filipino Hand Work

They are American-made blouses of fine and snowy batiste, in two simple but very good styles.

The first blouse is made with many tiny tucks in front and a collar of sheer white, with hand-drawn work and hand embroidery. The cuffs match the collar, and the blouse is very effective.

The next blouse is a bit more claborate, with the waist itself of the batiste and the collar with much hand embroidery, finished with scalloping. Price, \$5.50.

(Third Floor, Central)
