Mirrors Win Fourth Straight Game and Appear Pennant-Bound

DISPLAY TEAM WORK

By PAUL PREP
Four consecutive league victories and still going strong!

This in a few words we have stated the record of the fast-going basketball team of the Central High School and incidentally the fact that Coach Oscar Green's Northern team was unable to prove a stumbling block for the Mirrors in their steady march to the Intercollegiate League championship.

Kept up to the highest pitch by the importance of the game and the offer of gold basketballs if they won, the Northern team tried their best to stop the progress of the Central High yesterday afternoon in the Temple College gym.

But once more it was demonstrated to the satisfaction of all that it takes more than one star to have a pennant-winning team.

O'Brien Played Well
The early part of the first half was fairly even, but until the Central team found its bearings in the strange Temple gym.

Mainly through the individual playing of "Obey" O'Brien, the star center man, Northeast gave the Central supporters quite a few anxious moments in the second half and at one time had the count 36-21.

Yesterday's result gives Doctor O'Brien and his team a decided lead in the league, and unless Northeast and Southern spring a few surprises in the second half of the schedule the Dutch trophy will be taken on a trip from Eighth street and Lehigh avenue to the Green streets.

Large Scores Made
West Philadelphia High and South Philadelphia High had quite an easy time in their games with Framwood and Trades School respectively.

Soccer News and Notes
"Freddie" Stehle and "Dimple" McCabe, former of the Old Sumner, recently strengthened the Teutle eleven since they have donned Teutle shirts.

Two of the Allied soccer teams have taken to the field in the new style for the Teutle squad.

What has been long looked for is a game between the two crack shipyard teams, namely the New York Ship and Merchants A. C. B. teams.

Textile are giving the Wolfenden Shore, J. P. a hard time in the new style for the third division. The Cardington boys have had the best game lead over their Kensington opponents.

It should be arranged to place that first team of the Wolfenden Shore against either the New York Ship or Merchants A. C. B. teams, to get an idea of the real caliber of this team.

Merchants "A" team played one of the best games of its career last Sunday with the New York Ship Club. This match was originally scheduled to be played at Harrison.
