# GREENBACKS VS. MOSSBACKS

If you have an industrial plant which you want to sell, let me sell it for you. But if you want it handled in a hit-or-miss manner, with about as much "pep" as a caterpillar, then don't employ my services.

At the present time I have several widely known corporations looking for plants in the Philadelphia district. Possibly the one you have would suit them

During the past few months I have sold a number of large plants with a total value of

# NEARLY \$3,000,000

If you want to sell yours, I solicit your business.
