lar Alarm and Capture Follows A chase over house tops, pistol shots and a fight in the dark figured in the capture of Lercy Robinson, who, the police say, attempted to rob Solomon's pawnshop at the southeast corner of Ninth and Walnut streets early today. Bobinson forced an entrance through the root, it is said, and by sliding down pole reached the shop on the first floor. On the way down he came in contact with a burglar alarm, which could be heard nearly a block away. The negre climbed to the roof again, and was trying to get into a chimney when District Detective Ebaid spied hum. The detective fired several shots.
