

Motor Truck Owners, Danger Threatens!

Awaken! Prompt, concerted ACTION is imperative. Unjust, insidious forces are at work. They MUST be resisted by the might of RIGHT. Drastic legislation, which threatens the very foundations of our business, is NOW being considered at Harrisburg.

1---License fees exceeding \$400 and more.

3---Prohibitive dimensions for trucks, and

2---Additional taxation by Cities and Boroughs.

4---Other equally rigorous provisions.

YOU must arouse yourself to the true situation and send a qualified representative WITH POWER TO ACT to

A MEETING OF PROTEST

MOTOR TRUCK OWNERS ASSOCIATION of Phila.
