Measure Requiring Permit to Buy Revolvers, Etc., Defeated 104 to 76

RURAL MEMBERS DID IT

License Fee of \$1 and Leaving of Homes Unprotected Among Objections

By a Biag Corresponder

Harrisburg, Feb. 23 - Country bers of the House defeated decisively. the Neary bill to require purchasers of and persons having in their possession small firearms to obtain a permit

from the sheriff of the county is which they reside.

The rural members took violent exception to the clause in the bill which requires an annual license fee of one dollar. A similar fate is predicted for the Daix Senate bill which would require a permit from the police authors they.

Philadelphia's present crimes were given as ample transme why the bill should be passed when the measure was

Residents Demanded Law

said the hill was drafted after a con-ference with the district altorney are either prominent ditizens of that city and declared the residents of Philadel and declared the residents of Philadel-phia had demanded the enaction of such legislation "to protect them from the reign of terror sweeping over the city." ""titizens of Philadelphia," Wells ex-claimed, "are being hold up nightly on the highways and byways, and beaten and robbed. The police are working evertime to halt these outrages, but they are unable to cope with the sim-ation because of the lack of sufficient

Representative Showaher, of Union quiring approach the bill because conditions did of receiped to those in Philadelphia. Tepresentative Sowers, the only Philadelphian to speak against the bill said
it was "a victous measure," because it
did not permit a visigen to have a rovolver in his home. If that clause were
climinated he said, he would note for
the bill.

Representative Bennett, Philadelphia, said the bill was designed especially to prevent "irresponsible boys from buy-ing a revolver at a pawnshop and un-intentionally slaying a playmate."

intentionally slaying a playmate."
"We owe it to slotely." Bernett de-clared, "to put teeth into the law to clean up this wholesale possession of frearms by irresponsible isopie. A gun gives no protection from a hold-up man when he already has you covered."

Mr. Bennett dwelt particularly on the number of youths slain aichientally by revolvers in the hands of companions. He decired that "a law like this would

He declared that "a law like this would have prevented the recent shooting of five citizens in one day in Philadelphia

systems
Senator Daix said he would introduce
a bill to this effect Monday night, at
the instance of the United Business
Men's Association of Philadelphia.

The measure will be drawn along the same lines as the so-called Salus bill, which was defeated in the House after one of the bitterest fights ever waged here. The McNichol forces lined up the country members against the Salus measure, and, despite every effort of the Smith administration, backed by the full the storm struck them. It drave to ure, and, despite every effort of the They were not three days out when Smith administration, backed by the full the storm struck them it draw them that power of the Vares, the bill failed of out of their course so far that they can we
