Favorably Reported Washington, March, 1.—The nomina-tion of A. Mitchell Palmer, of Pennsyl-vania, to be Attorney General, to suc-ceed Mr. Gregory, was favorably re-ported this afternoon by the Senate Judiciary Committee. He will probably be confirmed if opportunity occurs for the holding of an executive senation be-fore adjournment. Senators Penrose and Knox, of Penn-syivania, have recommended that he be confirmed. Senator Frelinkhuysen, of New Jersey, appears to be the only Senator who will oppose his confirma-tion. As Senator Frelinkhuysen, of New Jersey, appears to be the only senator to be believed not to be strong enough to defeat his confirmation. It was explained that the President metely remarked to his guests that he yearned to get back to writing, and that he had in contemplation the compiling of a history. Some of those who attended the lunch-ecn said today they gained the im-pression that the President meant he would retire to private life at the end of his term. It also was stated that the President evinced deep feeling against opponents of the league of nations. He was said to have expressed the view that the league should be an American and not a partisan issue, but that if the Repub-lican state committees then would be free to act independently.

Senator Knox advocated a coalition to make war a crime and punish it as such. His plan would have each hemisphere enforce the international decrees affecting it. He said the present constitution proposed to arbitrate the Monroe Doctrine and other distinctive American policies. The Senator warned against exclud ing the Central powers from the lengue to form a secondary balance of power and protested the burdens and powers assumed by the Big Five in the ne council.
