

MATTY RETURNS TO MCGRAW STAFF AS COACH

MATTY AND PAT EXCHANGE POSTS

Big Six Goes to Giants as Coach of McGraw's Pitching Staff

MANAGER IN 3 YEARS

New York, March 8.—Christy Mathewson, unquestionably the most popular player that ever wore a New York baseball uniform, has been named as coach of Matty's new title as coach of pitchers and assistant manager.

But Captain Mathewson actually will be more than that. Matty, being brought back to New York so that he may be groomed to succeed John McGraw as Giant manager, McGraw himself intimated that Mathewson will be made in the course of two or three years. When it is made McGraw will devote all his time to the executive affairs of the club.

Mathewson has not yet signed a New York contract, but accepted terms yesterday. He will sign with New York as soon as Cincinnati's season will be over. The formalities of granting him his release, Hermann said yesterday, he immediately will grant Big Six his unconditional release.

Exchange Jobs By an odd twist of baseball fate Mathewson and McGraw will exchange places in the last few weeks. Cincinnati held the job of manager open to Mathewson until late in January and Moran was named as Cincinnati's coach. Then Moran was released by McGraw so that he might succeed Mathewson in Cincinnati and now Mathewson comes back to take Moran's place in New York.

Matty first played professionally with the Homestead, Pa., and Taunton, Mass., teams, and then went to Norfolk. He was "discovered" by McGraw in the fall of 1900, while with Norfolk. His record with the Giants follows:

Table with 5 columns: Year, G, B.A.F.A., W, L, P. Rows for 1900, 1901, 1902, 1903, 1904, 1905, 1906, 1907, 1908, 1909, 1910, 1911, 1912, 1913, 1914, 1915.

Matty's Great Feat Mathewson's greatest pitching feat was performed in 1905. During the world's series with the Athletics, when he defeated the Mackins practically single-handed. All these games were shut-outs.

Since being with the New York club Matty has taken part in five world championships—four with the Athletics, the year being 1905, 1911, 1913, 1914, and one with the Red Sox in 1912.
