SOVIET REPUBLIC IN U. S., RED PLOT

Evidence of Projected Revolt Will Be Read Into Senate Records

By the Associated Press Washington, March 11.-Evidence

gathered by the Post Office Department through seized mail matter, showing activities of the I. W. W., anarchists, socialists and other radicals since the signing of the armistice, will be read into the records of the Senate nittee investigating lawless prop-

The evidence was submitted in the form of a memorandum from Solicitor Lamar, of the department, declaring that the radical elements of the United States were forming a union with a view to "the overthrow of the government of the United States by forming a union with a view to "the overthrow of the government of the United States by frager of ment of the United States by fream of a bloody revolution and the establish-ment of a Bolshevik republic," and in the form of supporting excerpts from

The memorandum, which was made public by the committee late yester-day, asserted that the radical elements of the country had for the first time "found a common cause upon they can unite" in Bolshevism

Plan Reign of Terror

The I. W. W., Solicitor Lamar charged, were active in the support of this "common cause" through the organization's field force of recruiting and subscription agents. He said the excerpts submitted would show that the propaganda had as one of its objects "a nation-wide reign of terror."

Mr. Lamar's and imprisonment of those than 15 and imprisonment of the more many to the more days. Under sixteen years such offender in to be remanded to the custody of the juvenile court.

With the imprisonment of the more many than 15 and impri

Mr. Lamar's memorandum, to which was attached a list of newspapers printed in English and foreign lan-

throw the givernment.

"The I. W. W. is perhaps most actively engaged in spreading this propaganda and has at its command a large field force, known as recruiting agents scription agents, etc., who work un ceasingly in the furtherance of the

Any tire soon proves the truth of the statement, "The better the tire the better the truck service."

For you know that damage to mechanism is often traceable to inferior tire equipment-just as disease of one organ ofttimes owes its origin to a defect elsewhere.

That's why you should choose truck tires on a quality basis.

You do so when you select GOODRICH DE LUXE Truck Tires. They embody the best that a half-century of rubber science can produce. Are longwearing, lively and flexible-every one a guardian of the GOODRICH reputation.

Let us apply them to your truck.
