Frank Poth's Quintet Defeats Pier 19 for League Island Crown, 39-23

TAKES NAVY TITLE

TRAINING TEAM

DAVIS SCORES 5 GOALS

basketball championship of The League Island was won last uight by Frank Poth's naval training five when they defeated Pier 19 by the one-sided score of 39-23. The game was a runaway and was a big surprise to the lovers, especially in view of the fact that they had defeated many of the best clubs in the city and were confident of winning and tieing up the series, as Naval Training won the first game played.

The contest was the best of the season from the standpoint of the winners. They played remarkable basketball throughout, and it would be difficult to pick any individual star, as the whole club performed as if they had been playing together for years instead of only a few months.

Sixteen Field Goals

The Naval Training boys had their shooting togs with them and dropped a total of sixteen field goals through the net, Davis leading with 5 and Rose coming next with 4. This pair of for-wards have developed into one of the fastest playing the game today and when they shoot for the basket it is almost certain that a goal is going to be scored. "The best player on the losing five was "Dutch" Heiselt. In fact he was the whole club and was reaponsible for three field goals and four fouls. a total of 19 points. Mulhorn and Watt gave their usual sterling performance in the backfield and so closely did they guard their opponents that only one field goal was made in the first twenty minutes of play against them.

Take Lead at Start

Poth's boys took the lead at the start oi two of the greatest goals ever geored at League Island. They were by Rose and Pavis and were unde in by Rose and Davis and were made in nuccession and each was for about three-quarters of the legath of the floor. The shooting of the winners during the re-mainder of the period was really excit-ing and the big crowd was not slow to show its appreciation of the good work Naval Training was abead at the cod by and the org crowd was not slow to show its appreciation of the good work Naval Training was ahead at the end of the initial half by 19 to 7, and was in the lead by over 20 points, with about eight minutes to play, when Manager Poth took his entire club out and put in the subs. Then Pier 19 managed to get a few goals, but Naval was so far ahead that there was no danger of losing out.

Manager Poth has arranged two games for Mondav night. Naval Train-ing will oppose Pusey & Jones in one game, and in the other New York Ship game, and in the other New York Ship will tackle Keystone. The League Island champions will open up the neries for the independent championship of the city on Wednesday night at Traymore Hall with St. Colomba All entries for the open-goal shooting contest that will be staged on that occasion should be filed with Frank Foth, 3413-15 Race street Two handsome sliver curs and Two handsome silver cups and street. a fountain pen will be awarded the three shooters getting the largest num-ber of goals.
