Novel Linen Showers

Dear Madam-Will you kindly offer through your interesting column a few novel but inexpensive ways of giving a linen shower?

Thanking you very kindly for your courtesy, I am,

STEADY READER. A Japanese parasol is not very ex-pensive to buy, and oftentimes one of the girls in on the secret has one and is willing to lend it. Give this and you can have a novel shower. Fix it firmly in a large flower pot, where the dirt can keep it in place. and then put this in the middle of the room. To the vari-ous spokes tie the gifts, using plenty of cheap baby ribbon of various colors. Have the gifts wrapped or unwrapped. Keep the girls upstalrs and the room in which the "shower" is displayed closed until you are ready to spring your surprise.

Since you are giving the shower in April, it will be novel to carry out this idea of the parasol and the baby ribbon streamers, which represent the rain. A white slik and, in fact, light-colored milk parasol is equally pretty and very dainty.
