The Chestnut Street Business Association will hike again.
Saturday at 2 o'clock the hikers will hit the open road along the Wissabickon and will walk until they are tired, according to the announcement of G. A. Drovin, secretary of the organization.

"These hikes are not for the nurross of out-of-door recreation," said Mr. Provin, "but are intended primarily as a manifestation of the social aspect of the association. They bring the members into closer personal touch with each other and feater business and personal intimacies."

DARLINGTON COMPANY **EXPLAINS ACCIDENT**

No Customers or Employes *Hurt in Collapse of Store Balcony

Following the collapse of a balcony in the store of Joseph G. Darlington & Co., Inc., 1126 Chestnut street, yesterday, in which sixteen girls, applicants for employment, were injured, the company issued the following statement: "Yesterday in preparation for our anniver-

sary sale, which starts next Monday, we advertised for additional saleswomen.

"There was a large response to this Miss Safety First." a young woman advertisement and while the applicants possessed of deep affection for children were being received on a small balcony between the first and second floors, through some unexplainable reason a portion of this balcony collapsed and and ability to inspire their confidence, at number of people on it at the time were thrown together and some of them sustained injuries. No customer was hurt nor any of our employes.

"That this should have occurred is, of course, a matter of extreme regret to us, and we desire in this public way to express our sympathy with all those

who were in any way injured.

"It is important to state, however, that the accident, while deplorable, had records show a decrease of thirty-two records show a decrease of thirty-two records show a decrease of thirty-two

"To allay any excitement we thought it desirable to close the store for a few hours, but resumed busi the shortly after noon, and will be at the same as usual."

Are you paying the high tax on shorthand

There you are, busy as a bee with paper and pencil, figuring out this tax and that tax—

And overlooking all the time the exorbitant tax of 331/3% that shorthand imposes on your correspondence. Some tax!

You can save this shorthand tax. Save it in money. Save it this year, and next and forever after—if you will stop writing your letters twice—once in shorthand and once on the typewriter.

Dictate to The Ediphone. Write your letters once, on the typewriter. You'll get 50% more letters—and Better Letters; and you'll save at least 3313%.

The easiest way to dictate a letter

It's time you stopped paying the high tax on shorthand. Ediphone is writing more than a million Better Letters a day for them right now! They save the shorthand tax.

Say "The Ediphone" when you mean the only dictating machine built and perfected by the originator, Thomas A. Edison. (Laboratories, Orange, N. J.)
