In Peace Parley

act forth thus, 'Germany bust pay the last farthing of her power.' In the last farthing of her power.' In the sufficient to draw up a bill and it to the enemy. Must we not re guarantees and must we not the terms, methods and forms of the terms, methods and forms of the terms, diversary when he inadequacy of resources: 'Yes, an go as far as that and you must

#### Premier Cites Difficulties

"In a word, shall — simply present bill or collect the money, all the oncy possible? Well, that is where in work comes in: slow and difficult ork complicated by the fact that chaical experts of the highest capaties and great experience are not in recement among themselves either as the method of liquidation or as to was made that Polish troops would

the method of liquidation or as to be assets to be realized. "No, there is no divergence among the negotiators, but, alas, there are among those from the same country. Who is to decide between them if not the megotiators, and do you think it can atways be done quickly?" M. Lausanne remarked that what public opinion could not understand was why before everything. Germany was not handed a full bill, no matter what imount, and forced to admit full liabil-ity.

And who says we shall not do so?" eried Premier Lloyd George. "No one," the interviewer inter-rupted, "has said that you have decided

The British premier resumed :

The Britsh premier resulted. "Cannot the people wait until we we finished our work instead of always anting to judge our intentions? This inference had to meet and discuss der conditions unprecedented , All eyes are turned toward a history. All eyes are tuined toward t and, what is more grave, all ears are rrive at Paris there will be few negotiations because the peace treaty is be ing formed so carefully to meet all pos tible German objections that their ac ceptance may come quickly. None the Paris, through interviews in the Ger-

man press is moving rapidly forward, so that now the British and Americans believe the Germans will be invited here within two weeks. In the formation of Germanic the resumption of Germanic

server, in leaded type, says it has the best of reasons for stating that the pessimistic reports regarding the Peace Conference are entirely unfounded.

The confident statement of Premier Premier Lloyd George and President Wilson are doing everything together for peace which it will be possible for the English-speaking democracies to guarantee, the newspaper, declares, and it is authoritatively expected that the preliminaries will be finally settled within three or four days.

STRIKERS FIGHT POLICE

Shooting and Stone-Throwing Fol low Lawrence Bomb Explosion

Lawrence, Mass., April 7.- (By A. .)-Rioting marked by promiscuous firing by strike sympathizers and police opened the tenth week of the textile strike here today. The outbreak oc-curred in the vicinity or the Everett mills shortly before 7 o'clock, a few there will be any disagreement as to details, and it is indicated the text of the financial terms will be finished by the explosion of a bomb in the same neighborhood.

The rioting began when strike sym omises were effected on all debatable pathizers began throwing stones at mill windows and houses and then shifted their attack to policemen. The crowd has reported to the grew rapidly and the little squad of officers called for reserves. The city marshal responded with a large force and read the riot act. The payments for the
