

U. S. SAILORS DROWN AS THEIR BOAT SINKS

Transport's Propeller Slices Off
Tug's Stern at a Dock

New York, April 18.—Several naval women were drowned yesterday when the propeller of the transport Saxon sliced off the stern of the naval tug Freehold while the smaller vessel was docking the troopship at a Cunard pier. The number of dead is not known, for while the tug carried a crew of twenty-three and only fourteen were rescued, shore leave had been granted a number of the sailors.

The Freehold was less than three minutes in sinking. According to witnesses, it was shortly before 4:30 when the tug, pulling the vessel's stern around, received its death blow. Witnesses said the commander of the Saxon evidently intended to aid the tug. Those on the dock hardly had time to run to the pierhead before the tug's stack disappeared.

POWDER IN SHOES AS WELL AS GUNS

Foot-Ease to Be Added to Equipment of Hospital Corps at Fort Wayne.

Under the above heading the Detroit Free Press, among other things says: "The theory is that soldiers whose feet are in good condition can walk further and faster than soldiers who have corns and bunions in their shoes."

The Philadelphia Camp Nurses advise men in training to shake Foot-Ease in their shoes each morning.

There is no foot comforter equal to Allen's Foot-Ease, the antiseptic, healing powder to be shaken into the shoes and sprinkled in the foot-bath, for chafing, itching, perspiring, smarting, swollen tender feet, corns, bunions, blisters or callouses. What wouldn't you give to be relieved of one day's pain of your corns and bunions? Here is relief for every day. You won't realize this until you have tried Allen's Foot-Ease yourself. You simply forget all about your feet they are made so comfortable. Ask your druggist to-day for a package of ALLEN'S FOOT-EASE.—Adv.

Are You Ready for the Happiest Easter in Centuries?

Don't you believe it—people do "wear their hearts on their sleeves" or their gladness in the form of costume and frolics. The Easter after the great strain of war; the Easter dawn of a closer approach of a real brotherhood of man.

And your store should be as good as your ideals—the "brotherhood of man" is lacking if it leaves out the men who supply your needs.

We will deliver all Philadelphia Saturday purchases.
