

I DELEGATI ITALIANI LASCIERANNO PARIGI

L'On. Orlando ha Ufficialmente Comunicato la Partenza per Oggi Alle Ore Due Pomeridiane

DIMOSTRAZIONI IN ITALIA

Parigi, 24 aprile.—Il Presidente del Consiglio dei Ministri d'Italia, On. Orlando, la scorsa notte ha inviato una comunicazione ufficiale a Clemenceau, Presidente della Conferenza della Pace, dicendo che in seguito alle dichiarazioni del Presidente Wilson contro le aspirazioni dell'Italia, la Delegazione Italiana ha deciso di lasciare Parigi alle ore due del pomeriggio di oggi.

Il Vice-Ammiraglio Thaon di Revel, già capo dello stato maggiore della Marina Italiana, ha lasciato Parigi per Roma. Il Generale Armando Diaz, comandante in capo delle Armate Italiane, è stato annunciato che anche egli partirà subito.

Si dice che il Primo Ministro Lloyd George d'Inghilterra approvò senza riserve il comunicato del Presidente Wilson e che Clemenceau ha descritto ammirabile e che non vuol cambiargli una parola. Il fatto che Lloyd George e Clemenceau non si sono uniti a Wilson nel redigere il comunicato si attribuisce all'essere essi firmatori del trattato di Londra.

Si apprende che l'On. Orlando ha preparato un rapporto per il Parlamento Italiano, che sarà inviato martedì sera.

Si apprende che Francia ed Inghilterra faranno un altro sforzo per vedere di raggiungere un accordo e nei circoli della conferenza si spera che all'ultimo momento l'incidente possa terminare con soddisfazione di tutte le parti.

L'On. Orlando in un comunicato della scorsa notte, diretto ai corrispondenti italiani, delinea la situazione del giorno. Egli ha detto che il segretario di Lloyd George ha consegnato a lui una nota del Consiglio dei Tre, in risposta alle aspirazioni italiane, nella quale si specifica che Fiume deve essere una città libera e non sotto l'amministrazione di qualsiasi potenza.

Egli ha detto che quando la Delegazione Italiana domandò se la nota rappresentava l'opinione del Presidente Wilson, ricevette una risposta affermativa. La sorpresa degli italiani fu intensa quando videro che un documento così vitale fu reso pubblico e sulle prime dubitarono della autenticità. Il dubbio fu subito rimosso. La Delegazione italiana fece presente alla Francia ed all'Inghilterra la loro sorpresa, a mezzo di lettera, essendo dette nazioni firmatarie del trattato di Londra.

Roma, 24 aprile.—Una dimostrazione imponentissima ed indimenticabile ha avuto luogo questa sera in Roma, in favore delle aspirazioni dell'Italia. Una folla immensa recando bandiere nazionali e delle città redente ha percorso la città in tutte le direzioni, acclamando a Fiume ed alla Dalmazia Italiana, ed agli onorevoli Orlando e Sonnino.

Preceduti da deputati hanno arrigato la folla domandando l'annessione di Trieste e dichiarando che Orlando e Sonnino devono ritirarsi subito dalla Conferenza della Pace, senza che le aspirazioni dell'Italia siano riconosciute. La folla non si dispersa se non oltre la mezzanotte.

Parigi, 24 aprile.—(By A. P.)—The French Senate has passed the eight-hour labor bill which now becomes a law.
